Heads Named for Five Committees of Wheat League

Condon—Committee heads of the five committees to prepare reports for the thirteenth annual Eastern Oregon Wheat league convention have been announced by C. K. Barker, president of the league. The sessions will be held in Pendleton this year, with committee meetings on Thursday, December 5, followed by general sessions December 6 and 7.

Following are the five subject matter committees appointed for this year and those named to head them: Federal agricultural and conservation programs—Robert Taylor, Adams, chairman, and Roy Ritner, Pendleton, vice-chairman.

Production, handling, marketing and weed control—Charles Nish, Mikkalo, chairman, and Clarence Pyles, Enterprise, vice-chairman.

Taxation, legislation and rural electrification—Millard Eakin, Grass Valley, chairman, and George N. Peck, Lexington, vice-chairman.

Land use—Henry Smouse, Ione, chairman, and A. C. Kaseberg, Wasco, vice-chairman.

Transportation—Ed Hulden, Arlington, chairman, and James Hill, Pendleton, vice-chairman.

The Pendleton chamber of commerce is cooperating with local committees in arranging to handle a big crowd at this year's meeting. The sessions will be held in the Vert Memorial civic center, which

has a capacity of about 1100. Officials of the league have received word that sizable delegations from Washington and Idaho will attend the meetings.

Final arrangements for the program have not been announced, but it is certain that one or more representatives from the United States department of agriculture in Washington, D. C., will come west for the occasion. Requests have been made that these representatives discuss the general economic condition as it pertains to agriculture, and prospects for the disposal of surplus northwest wheat.

Other subjects to be given special attention on the program will be wheat feeding and land use planning in the Columbia basin.

REX ELLIS SAYS:

"As long as Congressman Pierce has left his post in Washington to campaign in Eastern Oregon . . ."

I Challenge Pierce To

EXPLAIN—Why Pierce voted NOT to increase the penalty on Treason and Sabotage. Because on June 5, 1939, Pierce voted not to make it EVEN a five year penalty for any foreign alien or person who advocated the overthrow of the government by force.

EXPLAIN—Why he voted against the Dies committee appropriation; which committee was investigating un-American and Fifth Column activities in the United States.

EXPLAIN—How he can be a FRIEND of the FARMER and vote not to deport Harry Bridges.

EXPLAIN—When the Congressmen started passing on the constitutionality of a law instead of the Supreme Court.

EXPLAIN—Why the American Legion, a non-political—but patriotic organization, passed a resolution to leave Walter Pierce at home.

EXPLAIN—Why he failed or neglected to get an appropriation for the Moro experiment station which developed Federation wheat.
