**Morrow Students at Many State Schools**

Eugene—More than 50 young men and women of Morrow county have been registered in Oregon state institutions of higher education during the past two years, a geographical tabulation of enrollment prepared for the 1939-1940 biennial report of the system to Gov. Charles A. Sprague reveals.

For the 1939-40 school year a total of 50 students in state schools listed Morrow county as their home. They were enrolled as follows: Oregon State college, 19; University of Oregon, 15; Eastern Oregon College of Education, 13; Oregon College of Education, 3.

The previous year the county sent 52 to state schools with O. S. C. getting 20; the University of Oregon, 15; E. O. C. E., 14; and O. C. E., 3. The figures showed a slight increase over 1936-37 when only 47 students from Morrow county were enrolled.

Populous Multnomah county ranked first with 2,522 students in 1939-40 and 2,449 in 1938-39. Lane county was second with 1,246 and 1,202 for the two years.

Total cumulative enrollment for the system was over 11,000 for both years of the biennium. All except about 1,400 students were residents of the state. Actual number of Oregonians during 1939-40 was 10,086.

Every county had representatives in at least four of the six state schools. E. O. C. E. had students from 26 Oregon counties; S. O. C. E., from 27; Medical School, 31; O. C. E., 34; O. S. C. and the University, from every Oregon county.
