**This Christmas... Give Comfort!**

**Give the family BETTER LIGHT**  
FOR READING AND SEWING, decoration and beauty, give I.E.S. Table or Floor Lamps.  
GIVE SEVERAL of these handy lamps that can be hung just like a picture... in living room, bedroom or kitchen.  
THERE'S A WHOLE NEW LINE of adaptor units like this that screw into present sockets to give modern, indirect light.  
**SEE YOUR ELECTRICAL DEALER**

★Every night for years to come your family can relax and really enjoy reading, sewing and other close seeing tasks . . . if Santa brings some of those modern lamps and fixtures that give plenty of soft, glareless light. EYES ARE PROTECTED against strain when you have enough light for easy seeing—yet light that is properly shaded and diffused to prevent glare and harsh shadows. Children, especially, need good light to

guard their growing eyes and to make homework easier.

Can you think of a gift that will be enjoyed more or that will do as much for the health and happiness of your family as attractive modern lighting? Better see your dealer now while stocks are complete.

**ELECTRICITY IS SO CHEAP** you'll hardly notice the additional cost of operating your modernized lighting. Pacific Power & Light rates are 37% below national average. Sight is priceless . . . light is cheap.
