## NEWS VIEWS

By DR. WM. C. STRAM, O. D.

This Joe Louis box fighting situation is rapidly becoming more serious than a glow worm on the shady side of a sun dial. Mike Jacobs seems to be having trouble finding anyone who can give the Brown Bomber anything more than a light perspiration. Every "fighter" who has faced Joe in recent months has gone down—easier than an oyster in olive oil. It begins to look like the only contender who can hang a kayo on Joe Louis is old Father Time—but before that happens the old gent with the scythe will have a few more good fights under his belt or else he's out of luck.

A San Francisco child swallowed half a ackage of red dye. Examining doctors found him to be in the pink of condition.

And proving that time is the essence of all things, there are the two boys who stole a car in Heppner last Thursday night. Starting down the road at 95 miles an hour it took them less than 24 hours to reach the penitentiary.

Do you know how good your eyesight is? Have you had your eyes examined within the last few months? You may need glasses but are unaware of the fact. There is only one way to be sure—let me give you a thorough eye-examination—without charge—be sure your vision is all that it should be. Your eyes are priceless—protect them! ## NEWS OF HEPNER TROOP 61 BOY SCOUTS OF AMERICA

Because of conflicting dates, the annual parents and sons banquet has been postponed till such a time as a Court of Honor can be held in connection with it.

A lack of display of the Flag of the United States was evident on the Twelfth. Sam Sato and Herbert Schunk turned out for the raising of the Flag at the City pole.

Sam Sato's Hyenas were well represented at the last troop meeting. Except for one other patrol leader, the rest were very conspicuous by their absence.

Plans are under way for an inter-patrol contest. The main feature of the contest will be the building of patrol dens. The patrol with the best den receives an extra number of points in the contest.

Committeeman Ray Kinne was a visitor at the meeting. We appreciate his interest.
