THE Hehisch

Published by the Students of Heppner High School

THANK YOU!

On February 15, the Heppner high school band sponsored a dance to help raise money for new uniforms. The net profit on this dance was \$79.50. As can readily be seen, this is not a sufficient amount to buy uniforms. As time goes on, however, and our funds increase, you can be assured of seeing the band marching up the street all togged out in new military uniforms, a flashy school band you will be proud of.

In behalf of Mr. Buhman, our director, and the band, may this opportunity be taken to thank each and every one of you for the support that you are giving the band in this campaign. We are especially grateful to the Elks lodge, who, as usual, is supporting the band one hundred percent. Thank you.

Lowell Ashbaugh, Band Presi.
