March 2, 1941, is THE DAY OF COMPASSION. On that day American Methodism and her friends will register its response to the tragedy of the world.

Acting the part of the Good Samaritan it will send one million dollars to war torn Europe and the training camps of this country; \$500,000 for relief of the war-stricken millions in China and Europe; \$250,000 to help maintain the foreign missions of British Methodism, or other needy Christians; \$250,000 for a social and spiritual ministry to the boys in the army training camps of the United States. Not one cent of this money will be used to prolong the war or to aid aggressor nations directly or indirectly, and every dollar given will go directly for relief, no overhead expenses. Make your Good Samaritan gift through the Methodist church, if not giving through some other agency. See the Pastor, James Wilkins, Mr. Case or Mr. Briggs and leave your gift for a worthy cause. Be a Good Samaritan.

FATHER PASSES

Funeral service were held at Hood River last Friday for Arthur Farrington, Bickford, 77, who died at the Hood River hospital on Wednesday of last week. He was the father of Mrs. Edward Clark of this city. Mr. Bickford was a merchant in Hood River for 25 years, before which time he organized the Terminal Ice and Cold Storage company in Portland. Regarding him the Hood River News says: "In 1913 he visited Hood River and decided to make his home in the valley at Pine Grove. There he acquired extensive orchard acreage, part of which is still retained by the family. But he will be better remembered as owner of the large store which serves the

Wheat Quota Election Date Set Tentatively

A referendum among wheat growers to determine whether or not marketing quotas for wheat will be ordered under the terms of the AAA law became almost a certainty with the announcement by the secretary of agriculture that May 31 has been set as the tentative date for such a referendum.

This development was foreseen at the recent state conference of AAA committeemen held at Corvallis, where many angles of the quota program were discussed. Although the final marketing quota determination will not be made until later, present estimates indicate that the supply of wheat for 1941-42 will be in excess of the amount where the 1938 law compels a referendum to be called.
