## Tuberculosis Test Given in Schools

The tuberculosis test was given in various schools throughout the county April 28. Two hundred and eighty-five took the test and out of that number only five children and five adults were found to react positively. The persons reacting and others who wanted to go, went to The Dalles May 6 and were fluoroscoped. Out of the 23 that were fluoroscoped only one had to be x-rayed. That shows Morrow county has been working on this disease.

Early tuberculosis can be cured. Recovery from tuberculosis in the advanced stages is a tedious, expensive fight that often ends in death. That is the reason all persons in the community are urged to take this test when it is offered to the public.

## Licenses Required to Shoot Predators

Licenses are now required to shoot or hunt non-game animals or predators, just as a license is necessary to take game animals. This change came about through provisions of Senate Bill No. 147, granting power to the game commission to fix seasons and bag limits. Previously, the attorney general had ruled that no license was required for shooting of non-game animals or predators. The recently enacted legislation which, because of the emergency clause already in effect, makes it mandatory for any person to obtain a license before shooting any wild animals or predators.

## NOTICE TO PERSONAL PROPERTY TAX PAYERS

On June 14th the new personal property tax law becomes effective. This law makes it mandatory that the sheriff issue warrants against persons whose personal property taxes are delinquent. These warrants after service upon the tax payer, if not paid, are filed with the county clerk and by him placed upon the judgment docket which thereafter becomes a lien upon any real or personal property owned by the person against whom the warrant is issued and subject to enforcement as any other execution in a court of record.

Any person having delinquent personal taxes should call at the tax collector's office and get their taxes straightened before this law goes into effect.  
C. J. D. BAUMAN, Sheriff, 9-13. Morrow County, Oregon.
