To **BENEFIT** the **HEPPNER SCHOOL BAND**
Heppner Joins in Backing the Band

Again this year, as in many years before, Heppner's School Band has returned from competition with other towns, bearing highest rating. The Band repeatedly has brought laurels of which we are proud to our city. These accomplishments, and the further excellent training our young folks have received, we believe make the band worthy of continued and enlarged support.

SATURDAY, MAY 24 . . .

beginning at **10 o'clock A. M.**, **HEPPNER** is staging a **BIG COMMUNITY AUCTION** for this purpose. We not only endorse this move, but we encourage our friends to support it through contribution of worthwhile articles, and by their attendance.

Of Course the Band Will Play.
