AGAIN... the sale of electricity has been increased.

AGAIN... our engineers have been able to cut costs.

AGAIN... we pass the savings on to you in the form of lower electric rates.

...for the third time in five years!

Minimum bills for rural customers have been cut from \$1.50 to 95c a month. Minimum bills for city homes have been reduced from 15% to 25%. In addition, prices on all quantities of electricity—large or small—have been substantially reduced.

NOW...Electricity is cheaper than ever; enjoy more of it!

IF YOUR ELECTRIC BILL IN HEPPNER
 Last month was...\$2.40
 Under new rates same amount of electricity costs.. 1.72
YOU SAVE... .68
Or \$8.16 a year!

** In the average home*

Why put up with antiquated cooking fuels when clean, fast electricity for cooking all your meals costs only \$2.25 a month in the average home? Pacific Power & Light's new low rates mean electricity is now actually cheaper than other fuels in most homes.

INVEST YOUR RATE SAVINGS IN ELECTRIC COOKING!
