

SOCIETY CHIT-CHAT

By JUNE SMITH

A number of out-of-town guests were seen at the benefit card party held last Thursday by the Episcopal auxiliary at the Parish House. Mrs. C. C. Gilliam of San Jose, Cal., who was visiting here with Mr. and Mrs. Charles Vaughn, was among the players. The next day, Mr. and Mrs. Gilliam and Mr. and Mrs. Vaughn left for a visit to Coulee dam, after which Mr. and Mrs. Gilliam drove to Seattle to visit Mrs. Gilliam's parents, Mr. and Mrs. J. K. Carr, before returning to their California home. Mrs. Gilliam said that her son, Frank Gilliam, is now teaching at Yale after having received his Ph.D. The other son, Clinton graduate of the University of California, is a lieutenant in the coast artillery.

Other visiting players seen were Mrs. Ben Guderian of Spokane, Mrs. A. Buzzard of Kansas, Mrs. LeGrand Guild, Mrs. Joe Belanger, Mrs. K. Hisler's two sisters, Mrs. B. Barrie of Spokane and Miss Mary Morahan of Seattle.

High score for bridge for the afternoon was won by Mrs. Clarence Rosewall, low by Mrs. Barrie. Mrs. Chris Brown and Mrs. Frank Turner were high at pinocle, and Miss Monahan won the door prize.

As the event celebrated the auxiliary's birthday party, the tea table was beautifully decorated for a birthday, with a centerpiece of pastel sweet peas, and flanked on both ends with delicious birthday cakes.

Lt. and Mrs. Edgar Grimes left Friday morning for a two weeks' leave which they expect to spend with relatives at Corvallis and Eugene. The lieutenant will then be stationed at another post and the popular young couple regretfully bid their friends here good-bye.

Mr. and Mrs. Harold Hill spent the week end at Redmond where they visited relatives.

Mr. and Mrs. Ralph Wickersham and daughter of Portland have been visiting with Mr. and Mrs. Harry Duvall for the past ten days.

Mrs. Jay Hamlin and two children left Monday for Lake Andes, South Dakota, where they will visit friends for a month or so.

Miss Georgia Kenedy of Corvallis, sister of Mrs. Ed Parker, is visiting with the Parkers, and will be leaving for her home Saturday.

Gene Ferguson and Gus Nikander drove to Walla Walla Monday. While there Mr. Nikander visited M. L. Case, who is in the veterans' hospital.

Dr. and Mrs. Richard Lawrence and two daughters are leaving tomorrow for Susanville, Cal., where they will visit Mrs. Lawrence's sister, Mrs. Ross Draper, and family. Dr. Lawrence expects to return the middle of next week, and Mrs. Lawrence and daughters will remain for a month.

A number of people drove to Cove, Monday, accompanying the young folks who have gone to attend the Episcopal school there. Those attending the school are Laurel Ball, Philip Cohn, Dorothy and Doris Worden, Katherine Purne, Frances Wilkinson, Helen Fortner, and Dorothy Wilson. Mrs. Harold Cohn and Sally went over for the day, as did Mrs. Dave Wilson and Shirley, Mrs. Alva Jones and Bobby. Eunice Osmin, and Mr. and Mrs. Archie Ball and family.

RODENT BULLETIN ISSUED

A bulletin by Dr. Ira N. Gabrielson, director of the fish and wildlife service of the U. S. department of the interior, has just been published by the Oregon State college extension service. The bulletin, entitled "Controlling Rodents and Other Small Animal Pests in Oregon," is a reprint of an earlier bulletin prepared by Gabrielson when he was in charge of the U. S. biological survey in this state. The reprint carries the author's present title.

Carl Eastman of Portland arrived at the Carlson brothers farm in Gooseberry this week to assist with haying and harvest.

Navy Recruiters to be In Heppner June 28

Representatives of the Navy Recruiting service will be at the Heppner postoffice, Saturday afternoon, June 28th, to accept applications from young men who wish to try for the naval service.

The essential requirements are: United States citizenship; minimum age, 17 year; maximum age under 50 years. Applicants must be found qualified physically, mentally, and morally, as a result of examinations and thorough investigation. Satisfactory references must be furnished covering a period of several years. These references must be from school officials and other persons of standing in the community who have known the applicant for a number of years.

Married men or those with dependents are not accepted in the navy. Applicants under the age of 21 years can be accepted only with the written consent of their parents, or legal guardian. This consent is furnished on a special form.

RESOLUTIONS OF RESPECT

We, your committee appointed to draft resolutions of condolence on the death of our late brother, Robert A. Thompson, report as follows:

Whereas, it has pleased the Supreme Ruler of the Universe to remove from our midst our late brother, and

Whereas, that by his death Heppner Lodge No. 69, A. F. & A. M. laments the loss of a brother who was ever ready to proffer the hand of aid and lend a voice of sympathy to the needy and distressed of the fraternity, a friend and fellow citizen whose upright and noble life was a standard of emulation to his followers; and

Resolved, by Heppner Lodge No. 69, A. F. & A. M., that while we bow in humble submission to the will of the most high, we do not the less mourn for our brother who has been taken from us.

Resolved, that the sympathy of the Lodge be conveyed to the family of the deceased brother, committing them in this hour of their bereavement to the kindly consideration of Him who doeth all things well.

Resolved, that these resolutions be placed upon the records of this lodge, a copy transmitted to the family of the deceased and that a copy be sent to the Heppner Gazette Times for publication.

Faternally submitted,
R. C. Wightman, C. R. McAlister, J. O. Turner, Committee.

Henry Baker made a trip to Corvallis Monday, bringing back his mother to stay for a short visit.

Stanfield Slates Big 4th Celebration

The largest Fourth of July celebration in this part of the country has been announced by the neighboring city of Stanfield, which will hold a celebration covering both days, July 4 and 5, according to announcement of the Stanfield chamber of commerce. Fred Hoskins of Lone is assisting as manager of an 8-bout fight card the evening of the fourth.

A parade, scheduled for 10 o'clock the morning of the fourth will start the list of events. It will feature floats, including those of neighboring towns, three bands, drill teams and other features. Leslie M. Scott, state treasurer, is the featured speaker at the patriotic program at 11. Basket lunch with free coffee will cover the noon hour.

The afternoon of the fourth at 1:30, will bring the Portland Police Motorcycle corps in two and a half hours of thrills and spills. Then at 7:30 comes the fight card prepared by Hoskins, and at 9:30 dancing.

The Portland Police Motorcycle corps will bring two and a half more hours of new acts and specialties at 1 o'clock the afternoon of the 5th. At 3:30 there will be a balloon ascension and parachute jump, a real thriller; at 3:45, a Umatilla league baseball game, and at 9, dancing at Stanfield and Hermiston.

Featured in Hoskins' main event will be Sammy McCracken of Hermiston and Bobby Burns of Heppner, between whom exists a keen

rivalry from a former bout. The internationally famous Portland Police Motorcycle corps has a team of twenty well-trained acrobats in trick riding and specialties that are unequalled in performance, say the sponsors. They were obtained only by booking some months ago, and being the only police organization of this kind, and further being an Oregon organization, their coming for this occasion is taken as a stroke of good fortune for the people of this section.

Each 2.7 Persons Has Registered Vehicle

Oregon has one registered motor vehicle for every 2.7 persons residing in the state, it was disclosed today by Earl Snell, secretary of state, who announced a registration of 394,284 vehicles at the end of May.

This registration is an increase of 8.8 percent above the registration for the same period last year. Registration fees totaled \$2,873,379 compared to a total of \$2,590,385 for the corresponding period last year.

There were 323,911 private passenger vehicles registered in Oregon at the end of May, compared to 298,139 at the same time last year.

Registration of motor vehicles is expected to exceed the 400,000 mark in Oregon this year, Snell said. The 1940 registration was just 187 vehicles short of 400,000 and at the rate of increase shown to date, it is expected this mark will be passed before the year is over.

\$42,000 Offered State Fair Winners

Premium lists for the 1941 Oregon state fair, caught in the deluge of printing due to the new laws, are now being distributed to several thousand potential exhibitors. The list for the 80th fair—September 1 to 7 inclusive—offers more than \$42,000 in premiums.

The total cash prizes for open class competition are about the same as last year and will be distributed in these departments: Draft horses, beef cattle, dairy cattle, sheep, goats, swine, poultry, pigeons, rabbits, honey and bees, fruits and vegetables, grains, seeds, art, flowers, baking and textiles. Another division, photographic art, carries ribbons only.

Separate premium lists for both the Future Farmers and the 4-H clubbers will be off the press about July 1.

Awards in the poultry show will be continued on the same basis as in 1940, when these premiums were set up on an entirely new plan. However, poultry premiums have been boosted in some instances.

Banners for premier breeder and premier exhibitor in all breeds of draft horses and cattle will be awarded by the judges. Also in the grain show, honey show, fruit show and floral show sweepstake banners will be awarded.

In addition to the cash premiums to be paid by the fair, a record number of special awards have been offered by breed associations.
