Heppner should be proud of Mrs. Jack Halseth, who last week end at Cottage Grove won the all-round women's archery championship for the state of Oregon. This is the first time the honor has ever gone to the eastern part of the state, and Mrs. Halseth is the proud possessor for the next year of a beautiful trophy signifying her skill. She also fired six consecutive arrows into the gold ring of the target, which makes her automatically a member of the National Six Golds club, and she will receive a gold pin award from the National Archery association. This is a feat accomplished by few archers.

Mrs. Halseth won every event in which she participated, as follows: Women's double Columbia, women's championship, women's national round. She was unable to compete in the last several events, as the tournament was most unfortunately located in a field of poison oak, which poisoned both Mr. and Mrs. Halseth so badly they were unable to shoot. It will also keep Mrs. Halseth home from the Pacific Northwest tournament to be held this week end in Seattle. She plans, however, to take part in the national championship tournament to determine the best in the country, to be held in August at Reed's college.

Mr. and Mrs. Garnet Barratt and Harold Cohn will leave tomorrow from Pendleton by airplane for Philadelphia where they will attend the Elks national convention to be held there July 14 to 16. Mr. Cohn as district deputy grand exalted ruler, is a delegate from the grand lodge, and Mr. Barratt, as exalted ruler, is a delegate from Heppner lodge. From there they will take a plane for Yellowstone national park, where they will attend a director's meeting of the P. C. A. on July 17. They plan to return July 22.
