Orrin Bisbee of San Francisco and Miss Kathryn Bisbee of Oregon City arrived Saturday evening for a visit at the home of their parents, Mr. and Mrs. L. E. Bisbee. Orrin is on a two weeks vacation from his work with Standard Oil company in the bay city. He said cold, foggy weather has prevailed most of the summer in San Francisco and he looked forward to coming to eastern Oregon for the prospect of getting thoroughly warmed up, only to find the weather here taking a turn for the cooler.

Mrs. B. F. Stradley, formerly Miss Irene Lovgren of this city, arrived last week to spend two weeks visiting relatives and friends in this county. She was a visitor in the city Saturday.

Mrs. Dorothy Shroeder and small daughter from Chicago are spending two weeks visiting at the home of Mrs. Shroeder's mother, Mrs. Lulu Rumble.

Mr. and Mrs. Harold Gentry and children arrived in the city Tuesday evening and spent the night from their home at Hood River.

Poets are born—and there doesn't seem to be any remedy for it.

Paul G. Brown has arrived in the Philippines and expects to like soldiering there, according to a letter received this week by his parents, Mr. and Mrs. Chris P. Brown. Harvest was started in the Brown wheat Monday with expectations of a good yield.

Mr. and Mrs. O. G. Crawford spent Monday night here on the way to their home at Ashland, being accompanied by Mrs. Sara Gaulko of Hillcrest farm near Sandy who expected to visit with the Crawfords for a time at Ashland.

Mr. and Mrs. W. O. Dix, with Jo Jean, their grand daughter, left Saturday for Portland to attend the Dix family reunion, held annually. Mrs. Dix expected to take summer school work at Monmouth before returning home.

Sam McMillan Tells Of Air Corps Life

We were pleased to hear from a Morrow county boy in the service, this week. It was Sam G. McMillan of Lexington who wrote from 333 Sch. Sqdn., Stockton Field, Calif. who wrote:

I would like to know Paul Brown's address (you'll get it, Sam), if you have it at your office. He and I enlisted in this man's army at the same time and I would like to know how the Infantry is in the Philippines. I am thankful that I was able to get in the Air Corps. We do not have so much of that old Army discipline in the Air Corps that still prevails in the Infantry. In fact I only had three weeks of basic training and that was mainly learning to march.

We have 604 drafted men here that came here about three weeks ago. They were quite fortunate to get into the Air Corps and it was a break for the enlisted men also because they have done all of the detail work that us new recruits had to do.

My squadron moves to our home field at Mather Field, Calif., on

July 29th. I will be glad to get to Mather Field because it will be a much larger and nicer place than Stockton Field. It will be an advanced flying school also for the flying cadets.

July 10th was graduation day for 141 cadets. Among them was Don Evan Brown, son of Joe E. Brown. I have seen Joe E. Brown on different occasions when he would be up from Hollywood visiting his son. Also Howard Hughes' latest find, Jane Russell has been here, giving the soldiers and cadets a real treat. We had to march in review at the cadet graduation and it was no easy job on these hot California days.

I hear some good news from Morrow county. I understand the farmers are getting a real wheat crop and a nice price also. By the way are they trying to burn our Elks' temple down, now that we have it all paid for?

Tell everybody at home hello for me.

(P. S.—After August 1st my address will be 333rd Sch. Sqdn., Mather Field, Calif.)

About the time one learns to make the most of life most of it is gone.

Navy Recruiting Men Coming Next Monday

The Navy has recently opened 23 new trade schools, and lowered the qualifications for enlistment in the Naval Reserves. There are now 23,000 petty officer vacancies in the Navy, and men enlisting now for four years, or for the national emergency, may choose any of the 57 trades taught by these schools, and get paid while learning.

This is an especially fine opportunity for those young men of draft age to better themselves while doing their bit of military service. Don't wait to be drafted, pick your own spot.

For complete details, see the Navy representatives at the Heppner post-office, Monday afternoon at 1 o'clock.

SCOUT CAMP AUG. 4-10

The local executive committee announces that Boy Scout summer camp will be held August 4 to 10. O. E. Hoover, scout executive for the Blue Mountain council, in a telephone conversation from Walla Walla, announced that he would attend the camp, staying overnight one night of camp.
