

Mustangs Triumph 12-0 Over Scrappy Mac Hi 'B' Team

First and Fourth Period Scores Give Locals Winning Margin

In an extra-conference game here Saturday afternoon Heppner high's Mustangs outscored the scrappy "B" squad of Mac Hi, 12-0. The game was fast and clean throughout.

The visiting Pioneers received the ball from the kick-off and were downed on their own 30-yard line. Showing much power in the opening minutes, they ran up two first downs before the Mustangs gained possession of the ball. A mixture of pass and power plays took the Mustangs within two yards of a touchdown before losing the ball. The Pioneers kicked from behind their own goal line, and the locals advanced back up the field in easy style to set the ball on the 3-yard line, from where left half Barratt drove through center to pay dirt. Padberg failed to convert.

In the second quarter, the Pioneers set up a determined drive only to lose the ball on the Heppner 10-yard line. The half ended with the Mustangs leading 6-0.

The third quarter was a steady exchange in possession of the ball with neither team threatening. The fourth quarter started with the Mustangs holding the ball and dominating it three-fourths of the time. With eight minutes to play, Heppner began filling the air with passes and completed several. This set the ball on the Pioneer's ten-yard line. McClintock and Lovgren pushed the ball up to the two-yard line, and Barratt went over right tackle for another score. The conversion try was unsuccessful and the score stood 12-0.

With a minute to go the Mustangs power-housed their way up to the two-yard line. Here they were penalized and finally lost the ball on an incomplete end zone pass.

Heppner showed a good combination of power and passing with the two ends, Scrivner and Snow, nabbing seven passes out of ten tries. Kenny and Padberg showed up well defensively, backing up the line, as did linemen Lane, Ferguson, Drake, and Cohn.

Outstanding offensive player for Mac Hi was fullback Wheeler.

The next game for Coach Lyle Swenson's Mustangs will be on the Arlington sandpile next Friday. Rated as underdogs in this tussle, the Mustangs will give a good account of themselves in revenge of the 19-13 whipping administered by the Honkers earlier in the season.

Committee Named To Decide Course Of New Hospital Move

Elks Join Chamber in Promoting Plan; Seek County Unit

Heppner chamber of commerce's proposal to obtain a new hospital for Morrow county gained impetus this week with naming of the plan-formulating committee by President B. C. Pinckney, and endorsement of the move by Heppner lodge of Elks.

Named on the committee were Harold Cohn, Harvey Miller, Ralph Jackson, Lucy E. Rodgers, Garnet Barratt, Bert Johnson and J. O. Turner.

While discussion at the recent chamber meeting and sentiment generally has favored following a general county hospital plan, similar to that which has worked successfully in other places, it will be left to the committee to formulate the plan of procedure, said Pinckney.

Since the chamber has adopted the project, expressions of commendation have come from all sides, indicating general public acceptance of the idea. There have even been offers of individual subscriptions to help send off the move.

The move was strongly endorsed by the Heppner lodge of Elks who voted their support to the chamber in every manner possible to bring about its realization. Other organizations, too, are expected to lend their endorsement.

More impetus was given the new hospital move this week when both the Heppner and Morrow General hospitals here were closed due to inability to obtain help.

'Food For Defense' Meeting, First Of Two, Here Today

State Leaders Meet With County Men To Explain Course

The Morrow county farm defense board met at the county agent's office this morning to go over goals for the "Food for Defense" program. County goals were tentatively set this morning, and this afternoon the board is meeting with the county land use planning committee, community AAA committeemen, grange masters and other farm leaders to discuss the goals and plans for meeting them.

Henry Baker, AAA chairman for the county, is chairman of the defense board, and other members are C. D. Conrad, county agent; F. F. Wehmeyer, forest service; R. I. Thompson, Farm Credit administration; Bruce Stewart, FSA; Jim Kistner, SCS, and Minnie McFarland, REA.

M. L. Belangie of the Surplus Marketing administration; Clyde Kiddle, state AAA representative, and Bob Stelling, USDA extension service, all members of the state farm defense council, were present at the meeting this morning, and Belangie explained the duties and purposes of the county defense boards.

Goals set by the board call for increases in production in 1942 over 1941 as follows: Milk 10 percent, milk cows 2 percent, eggs 10 percent, chickens 10 percent, hogs 30 percent, turkeys 10 percent, barley 30 percent. Marketing of cattle in 1942 was asked to be increased 10 percent over 1941 with no increase in production. No change in sheep production was recommended.

Some of the goals are above and some are below those set for the state as a whole.

Educational meetings are slated to inform the public on the defense goals and ways of meeting them. A meeting will be held in Heppner on October 21, beginning at 2 o'clock p. m., and meetings will be held at Irrigon at 2 o'clock p. m., and Boardman at 7:30 o'clock p. m. on the 27th. Everyone is urged to attend one of these meetings to obtain the information needed to determine his part in the program and to assist him in making the required reports. The county AAA organization has the job of contacting each individual farmer to ascertain the part each will take in meeting the goals.

Four Selectees to Get Orders to Report
