Much Wheat in State Put Under AAA Loan

The amount of Oregon wheat placed under federal loan so far this year is already double the total amount for the entire year of 1940, the state AAA office announced.

Two thousand loans, totaling \$6,742,499 on 7,235,219 bushels of wheat, have been reported up to September 15 as approved by the Commodity Credit corporation. Reports from the counties indicate that the flow of wheat under loan is continuing at a heavy rate, and will continue until the market price equals or exceeds the 85 per cent of parity loan value.
