SOCIETY CHIT-CHAT Form Repair Progress By JUNE SMITH

Most of the activity this week is centering about the meeting of the Wheat league here, which begins today and continues throughout the week end. All of the church organizations are planning to serve luncheons on Thursday, Friday and Saturday, and homes have been made ready for guests. The firemen are sponsoring a Wheat League ball to be held Friday evening at the Elks club, to which the public is invited. The banquet will be Friday evening at the pavilion. Almost everyone is lending a hand to make the visitors welcome and comfortable.

The Woolgrowers auxiliary will meet Friday at the Lucas Place for their monthly luncheon and business meeting. Any members who wish to bring a guest to this affair will be most welcome to do so. On the program is included a solo by Mrs. T. E. Peterson, carol singing, and an art display by Josephine Mahoney, which it is promised, will be very worth while. The "white elephant" gift exchange will be a feature of the January meeting instead of tomorrow's meeting as announced. Mrs. W. H. Cleveland is hostess for the day.

Mrs. B. C. Pinckney, president, extends a special and cordial invitation to the wives of the Wheat League members who will be here to come to the Woolgrowers auxiliary meeting and no-host luncheon tomorrow and asks that they phone 2452 or 1342 for reservations.

Mrs. Harold Cohn will entertain the What's Trumps club at her home this evening.

Mr. and Mrs. Clarence Rosewall spent Sunday and Monday in Portland.

The Episcopal auxiliary will have their annual bazaar at the Parish House Saturday afternoon beginning at 2:30. Displays of tempting Ecb Pinckney, Kay Ferguson, and Christmas gifts will be there and everyone is cordially invited to drop in during the afternoon.

Quite a number of Heppner people were noted at the bazaar and dance held last Saturday evening at the Ione grange hall.

Mr. and Mrs. Dalas Jacobsen, for merly of this city, have announced the birth of a daughter, Anna Kristin, 8 pounds, 9½ ounces, at Pendleton, November 30.

Christmas gifts. Rose Leibbrand. 29-31p.

Reported for County

Local farmers are making good progress checking farm machinery county U. S. D. A. Defense Board chairman.

With the manufacture of new machinery and equipment in 1942 sharply curtailed because of defense demands on supplies of steel copper and other metals, farmers will have to depend more upon existing machinery.

Those farmers who have not already done so should check all their farm machinery and order any neeed parts immediately, Baker said. Early orders offer the best assurance that farmers will obtain parts. Enough steel and other metals will be available to manufacturers to meet the indicated needs for replacement parts.

Blacksmith and repair shops have recently been given a defense rating of A-10, the county chairman announced. This should enable them to obtain materials needed for farm equipment repairs provided the farmers cooperate by having their repair work done early. A county-wide check on the farm

defense plans for 1942 has been completed and sent to the state office showing that substantial infense is planned by county farmers for next year.

High School Basket Shooters Go to Union

The Heppner high basketball team will travel to Union, December 6, to engage in a battle with the Union Bobcats. The coming game is the first game having been scheduled with Union for some time. Coach Swenson and eight players will make the trip. The players going will be Jim Barratt, John Skuzeski, Claud Snow, Claude Drake, Bill Scrivner, the eighth player who has not been chosen.

Four days following the Union game, on December 10, the Mustangs will entertain Echo on the local floor. Echo proved to be Heppner's biggest worry at the Ione jamboree, therefore the game should be very interesting.

With only one night's rest, Heppner will travel to Condon, on the 12th, for the Condon jamboree. This jamboree will be the opener of the big Wheat league. Heppner will Photographic greeting cards for have Condon, Fossil, and Arlington as competition.

Mustang Gridders Enjoy Big Game

Last Friday, November 28, twenty members of the Heppner high school (Mustang) football team departed for Eugene to see the Oregon-Oregon State football game. They were accompanied by Coach Lyle Swenson, Norbert Peavy and a few parents.

A very enjoyable time was had by everyone, comes report from the high school. For several of the boys it was their first time to see a colciting game to see.

Through this article the team wishes to express its deepest gratitude and thanks to the generous donors of the necessary \$150 for the expenses of the boys, and for the

'NAVY TRADE TRAINING GAVE ME MY START' SAYS PRESIDENT, SPERRY CORPORATION

THOMAS A. MORGAN (pictured in insert), president of the Sperry Corporation, world's largest manufacturers of aeronautical and marine instruments, received his early technical training in the U. S. Navy, in which he enlisted as a young man. "This has proved of great value to me in later years," said ex-sailor Morgan. Pictured above are new Navy recruits receiving electrical training at one

of the modernly equipped Navy Trade Schools. The Navy offers training to young men in nearly 50 different trades and vocations.

Opportunities for advancement, to learn skilled trades, for travel and adventure are identical whether a man enlists in the regular Navy or the Naval Reserve-and his pay, food, clothing, medical and dental care are the same.
