MUSTANGS LOSE TITLE

tion of Heppner and all of Arlington which completely jammed the spectator room.
The wheat league offered no trophy, said B. C. Pinckney in presenting coach and team at the chamber dinner in the Church of Christ basement Tuesday evening. Therefore, to recognize the Mustang's clean sweep for this honor, he presented the champions with a beautiful large bronze trophy, which, on being won twice by any Wheat league team will become that team's permanent possession.
Mr. Pinckney said he believed high school athletics had three purposes: strengthening the participants physically, teaching them sportsmanship and showing them the value of team work. In these objectives he asserted Heppner's basketballers had qualified as champions.
Captain John Skuzeski said, "I had a speech. Only two of us knew it, the Lord and I. Now God only knows what it was."
F. W. Turner, chamber secretary, brought to the attention of the group the matter of financing work of Inland Empire Waterways association, giving as his opinion the saving in freight rates alone more than justifies the \$500 a year contributed by Morrow county. Harvey Miller offered for chamber consideration the matter of sponsoring a community chest as the best way to budget contributions to worthwhile humanitarian agencies and to prevent impositions upon the public by undeserving solicitors. These matters were held over for consideration by the next meeting of chamber directors.
