MEN OF WAR

General Electric men and women—thousands of them! Four typical scenes show the spirit with which they are tackling the grim job of producing for war!

1. Thousands of employees, only ten days after war declaration, gathered in mass meetings in most major G-E plants to pledge all-out war effort!

2. Almost 85 per cent of all General Electric employees signed up to buy U. S. Defense Savings Bonds totalling more than \$20,000,000 a year!

3. A sign chalked by a G-E workman on a big machine being built for war. The sign carried this challenge to fellow workers: "Remember Wake Island!"

4. And day and night—around the clock—G-E workmen keep steadily at the most important job of building weapons and supplies for U.S. fighting men!
