

Hardman NFLA Will Elect at Dinner Meet

Stockholders of the Hardman National Farm Loan association will hear reports from their respective officers on the organization's activities for 1941 and elect a director at the annual meeting on Thursday, April 30, at the Odd Fellows hall. Notice of the meeting went out last week to approximately 135 members in Morrow county in the form of a letter signed by John J. Wightman, president of the association.

The business session will convene at 10:30 a. m., with President Wightman presiding. The term of Henry Baker expires this year and a director is to be elected to serve for three years. The hold-over directors are Mr. Wightman, R. L. Benge, O. W. Cutsforth and Frank Wilkinson. Mr. Baker has served as vice-president during the past year, and the association's secretary-treasurer was W. Vawter Parker, who is now on leave of absence, being in military service.

Noon hour entertainment for next week's meeting is to include accordeon solos by Walter Skuzeski and vocal numbers by a trio composed of Dorothea Wilson, Patty O'Harra, and Margaret Tamblin, all high school students, and some moving pictures, the subject of which is not yet available. The lunch is to be served again this year by Sans Souci Rebekah lodge.

The afternoon session will include a talk by David E. Grobe, associate regional manager of the association service division of the Federal Land Bank of Spokane, who will review highlights of the twenty-five years the land bank system has been in operation, and give an idea of what lies ahead in this emergency. Another feature will be a question box, and members are urged to bring

Voting Eligibility on Quotas Cited by Baker

Every Morrow county farmer who has 15 acres of wheat seeded this year is eligible to vote at the referendum on wheat marketing quotas May 2, according to Henry Baker, chairman of the county AAA committee.

In reviewing marketing quota regulations, the chairman pointed out that all persons who have an interest in the wheat crop on an eligible farm may vote at the referendum, and because of Oregon's community property law, this includes wives who own farms jointly with their husbands.

Stressing the importance of every eligible voter casting his ballot, the chairman announced that absentee voters who will not be in the county on referendum day may vote either by mail or at the county AAA office during the week preceding May 2, beginning Saturday, April 25.

Persons voting by mail may obtain a ballot from the nearest county AAA office. They should mark and sign the ballot and put it in the mails in time to be received by the county office in which the farm is located before 9 p. m. on May 2, the chairman said.

their questions and take part in an informal discussion.

Reservations for the lunch are coming in fast, according to Elart F. Hultgren, acting secretary-treasurer, and a good sized crowd is expected.

Defense Fire School Slated at Condon

Larry Duhrkoop, instructor at the Portland Fire college, who is a senior instructor for the Civilian Training program in Oregon will conduct a school for instructors in Condon April 26. This one-day school will be attended by men and women from Gilliam, Morrow, Sherman and Wheeler counties.

Mr. Duhrkoop is a graduate of the Army Chemical Warfare school at Benson Polytechnic school in Portland. In addition, he has taken courses conducted by Captain William J. N. Rogers, United States Army, military advisor to the Oregon State Defense council.

The men and women who attend the school to be conducted by Mr. Duhrkoop will be eligible to be instructors and hold classes throughout their respective counties for the benefit of enrollees in protective un-

its of civilian defense.

Stewart Hardie, coordinator of the Gilliam county defense council, is making arrangements for the school with the assistance of J. O. Turner, Morrow county coordinator; Wily Knighten, Sherman county coordinator, and J. G. Schott, Wheeler county coordinator.
