**Lightning Causes Fires in Ione District**

By MRS. ELMER GRIFFITH

In spite of the ban on Fourth of July fireworks, this community had an abundance of pyrotechnic displays on July third and fourth, when the heat wave broke with a violent electric storm. On Friday evening watchers in the Morgan district reported five fires visible at one time. Little damage was caused there, and some farms now have "fire guards" which will make them safe for the rest of the summer. Near Ione H. V. Smouse lost about fifty acres of barley and James Lindsay lost the lumber from which he was building grain bins on the Dismore place, Friday in a fire starting from a match and carried on by high winds.

Leo Nutting of Walla Walla was seriously injured on Thursday when he fell 24 feet while working on the Elmer Griffith elevator at Morgan. He fell into the interstice between the steel bins, and it was necessary for the other workmen to lower a rope to him. He tied this around his body, and so was pulled out. An ambulance summoned from Heppner took him to a physician there for first aid, and he was taken to the hospital in Pendleton. Besides scratches and bruises, he suffered a broken leg.

G. C. Gordon of Vancouver, Wash., spent the week end here, returning Monday. He is a brother of Matthew Gordon. Mr. Gordon is employed on a boat of the Shaver Forwarding company, which carries government supplies to Bonneville. The H. E. C. will meet Friday, July 17 at the Grange hall for an all day meeting.
