SOCIETY CHIT-CHAT

By JUNE SMITH

Several showers were among the events of the past week. Among them was a lovely miscellaneous shower given by Mrs. Robert Thompson and her daughter Kathryn, for Mrs. Howard Cleveland, who was Miss Ruth Webb before her marriage last June 27. About thirty guests called during the afternoon hour from 3 to 5 to greet the bride and have tea. A beautiful arrangement of white hydrangea and iris filled the fireplace in the living room, and the tea table was attractive with lace cloth, and centered with a bowl of roses and slender colored tapers. Mrs. W. H. Cleveland and Mrs. Paul Webb poured during the first hour, and Mrs. Mary Thompson and Mrs. A. McGew poured for the second. Miss Mary Kay Blake assisted.

Another shower was that given honoring Mrs. Bruce Stewart, who with Mr. Stewart left Tuesday for Albany, where they will make their home. The hostesses were Mrs. J. G. Thomson, Jr., Mrs. Edgar Parker and Mrs. Stephen Thompson. The party was given at the Thompson home on Friday evening. Games were played, and refreshments served at the close of the evening. Guests included Mrs. James Valentine, Mrs. Claude Graham, Mrs. Conley Lanham, Mrs. Clifford Conrad, Mrs. Luke Bibby, Miss Florence Bergstrom, Miss Hazel Duncan, Miss Lois Harrington, Mrs. Charles Buzzard and Mrs. Harold Buhman.

Another honored guest at a party last week was Mrs. Herman Green, who was entertained by Mrs. Floyd Jones, Mrs. Howard Bryant and Mrs. Ed Dick, Jr., at a party at the Dick home Saturday afternoon. Games were played, with Mrs. Joe Green, who is visiting at the home of the honoree, and Mrs. Charles Jones winning prizes. Refreshments were served at the close of the afternoon.

Miss Kathryn Parker, daughter of Mr. and Mrs. Frank S. Parker, who graduated this spring from the Eastern Oregon College of Education at LaGrande, has accepted a teaching position at Myrtle Point, where she will instruct in the junior high and teach music in the grades.

Mrs. Bill Morgan returned last Tuesday from a two weeks' visit with her son and daughter-in-law, Mr. and Mrs. Milton Morgan in Los Angeles.

The Officers club of the Eastern Star honored Miss Rose Leibbrand, who is leaving for service in the Womens Auxiliary Army corps, at a luncheon at the Lucas Place Tuesday afternoon. She was preented with a going away gift.

Another affair honoring Miss Leibbrand was the dinner given Tuesday evening at the Lucas Place by Miss Leta Humphreys. Members of the Bookworms were guests, and presented the honor guest with a farewell gift. The table had a centerpiece of red roses, with tall red, white and blue candles on either side. The place cards were hand made, and each held a flag.

Mr. and Mrs. Harry Tamblin and daughter Peggy left Tuesday for Boise, where they will visit Mrs. Tamblin's mother, Mrs. F. F. Thomas, for the remainder of the week.

Mrs. Fred Mankin is in a Portland hospital, where she is undergoing medical treatment.

Mr. and Mrs. George Howard and children left yesterday for Spokane where they will spend several days.

Mr. and Mrs. Charles Buzzard are moving into the Devine house vacated by Mr. and Mrs. Bruce Stewart, and Mr. and Mrs. Bill Blake are taking the apartment in the Curran apartments being vacated by the Buzzards.

Mrs. M. D. Clark has been confined to her bed with illness for the last ten days. Her daughter, Mrs. F. E. Riggs of Cottage Grove, is with her. She is not able to have visitors yet.

Mrs. Robert Thompson and Mrs.

Earle Bryant drove to Condon last Thursday to visit Mr. Thompson's father, William Brown, returning the following day.

Mrs. Bud Hanlon is spending several weeks in Pendleton.

Mrs. Marvin Brown and two daughters, Marvelle and Patricia of Portland, are visiting at the home of Mr. and Mrs. Orve Brown.

Mr. and Mrs. J. O. Turner drove to Portland on Monday to visit their son Don, who left Wednesday for army duty at Fort Lewis, Wash. They returned on Tuesday.

Sugar Saving Hints Told in Bulletin

"How to Save Sugar When Canning and Freezing" is the title of the new bulletin just issued by the foods industries department of Oregon State college and is now available at the Morrow county agent's office.

This bulletin points out ways in which sugar can be saved and considering the flavor and keeping qualities to what extent the density of syrups should be reduced and to what extent Karo and honey may be used.

Announcement has been received of the birth of a son to Lt. and Mrs. Donald Drake at Portland, July 14, named Donald Ellsworth. Lt. Drake, son of Mr. and Mrs. Ray Drake of this city, is on duty in Alaska.

Potato Blight Control Measures Given

Blight in potatoes which is showing up in some section of Morrow county can be successfully controlled with timely spray applications of Bordeaux mixture, according to County Agent C. D. Conrad.

If potato leaves are turning brown and curling blight can be suspected the plants should be sprayed immediately with Bordeaux. The mixture is made by dissolving one pound of quick lime in five gallons of water and one pound of copper sulphate or blue stone in another five gallons of water and then mixing the two together thoroughly after which it should be strained before putting it in the sprayer.

The copper sulphate can best be dissolved by suspending it in the water in a cloth sack over night or by dissolving it in a smaller amount of hot water before adding the full five gallons of cold water. The amount of spray these proportions will make should take care of most family sized potato patches.

Conrad adds that there are two kinds of potato blight, both early and late. Both will reduce yields and the late blight will cause some tuber rot. Both can be successfully controlled with the above spray. Spraying should be made at intervals of about two weeks.

With the cooler, damper weather this year less tomato blight is anticipated and spraying of tomatoes should be held off as long as possible as considerable damage from the spray can be expected if done during the hot weather.

Marine Guard Duty Vacancies Open

A limited number of vacancies yet exist this month for enlistment in class IV of the marine corps reserve for guard duty, the marine corps recruiting substation in Walla Walla has announced.

Applicants for light shore duty in the marine reserve must be between 30 and 51 years inclusive, physically sound, with vision not lower than 8-20 without glasses corrected to 18-20 with glasses.

In addition to regular line pay, clothing, quarters and subsistence for themselves, all class IV reservists who are married and maintaining a home will receive \$1.15 per day quarters allowance, which begins upon entrance into service.

All veterans of the last world war will be appointed to the rank of private first class, while former marines who have had four or more years continuous active service will be reappointed to the line rank held upon last discharge, not above sergeant.

Duty in class IV is limited to the continental United States, and all men enlisting are now sent to the recruit depot at San Diego, Cal., for training, prior to assignment to regular duty station.

Helen Phelan is visiting her parents, Mr. and Mrs. D. P. Phelan, coming from San Francisco where she is employed.

Margaret Nys arrived this week from Portland, accompanied by Betty Blomquist, to visit her father, J. J. Nys.
