

**VICTORY FOOD MEETING SERIES BEGINS JULY 30**

Continued from First Page  
pressure cookers will want to make the best use of them. For those who wish to buy pressure cookers, the suggestions are made that they buy cooperatively so that four or five families can use the one piece of equipment. All methods of canning will be demonstrated at the meetings.

Because of sugar rationing and shortage of equipment, increased interest is apparent in the drying of fruits and vegetables. A model of a homemade dehydrator will be shown at the demonstration and directions for making it will be distributed, as well as directions for drying and various methods of home food preservation.

Cold storage lockers can be used more efficiently. Shelves can be built in them. More vegetables and fruit can be frozen in them. Containers may be of glass or locker waxed paper. When no pressure cooker is available, the frozen pack is of special interest in preserving vegetables, meat and fish.

The demonstration will include the safe and practical methods of canning and freezing.

Everyone is invited to attend any of the following meetings, free of charge:

Irrigon high school, July 30, 2 to 4 p.m.; Boardman grange hall, July 30, 8 to 10 p.m.; Ione grange hall, July 31, 2 to 4 p.m.; Lexington grange hall, July 31, 8 to 10 p.m.; Heppner, August 1, 2 to 4 p.m., Methodist church basement.

Ten per cent of your income in War Bonds will help to build the planes and tanks that will insure defeat of Hitler and his Axis partners.

**STAR Reporter**

FRIDAY-SATURDAY

**Stick To Your Guns**

William Boyd, Brad King, Andy Clyde, Jacqueline Holt

Hopalong and his pals in another exciting western adventure with plenty of gunplay and hard riding.

**Cavalcade of Aviation**

Vividly portraying America's air-might as it shouts defiance at the ruthless aggressors.

**LOCAL ITEMS . . .**

Mr. and Mrs. Bernard McMurdo of Portland visited over the week end at the home of Mr. McMurdo's parents, Dr. and Mrs. A. D. McMurdo. On their return they were accompanied by Miss Mildred Clowry who went on to Gresham where she is now making her home. Bernard recently enlisted in the navy and will enter service as soon as he completes his course in dentistry.

Hanson Hughes and R. E. Driskell went to McMinnville Friday to attend funeral services for Mr. Hughes' uncle, and Mrs. Driskell's father, the late I. N. Hughes. Services were held there Saturday. Mrs. Driskell had gone to that city a week previous.

Mr. and Mrs. William Richards of Calgary, Can., were visitors this week at the home of Mrs. Richards' parents, Mr. and Mrs. J. F. Kenny. Mr. Richards is an instructor in the Royal Canadian Air Force. Mrs. Richards was formerly Miss Ilene Kenny.

Mr. and Mrs. Norton King arrived Tuesday evening from their home in Portland and visited until last evening with relatives and friends. Mr. King, who recently enlisted in the army air corps, is still waiting for orders to report.

Garnet Barratt and Earle Bryant returned home Friday from Montana where they went several weeks before to look after sheep interests of Mr. Barratt. Mr. Barratt had his sheep sheared while there.

Bill Hyslop, sheep buyer from Spokane, was here the end of the week, taking delivery on lambs he had purchased.

Harold Hill was in The Dalles the end of the week, undergoing treatment for an illness. He is again looking after his electrical business.

Jack Merrill, who made a business trip to Salt Lake last week, has returned home and expects to enlist in the service shortly.

Miss Betty Doherty was visiting relatives and friends here Monday from Pendleton where she is taking nurse's training.

**Week of the War**

Continued from First Page  
between May and June by 1,700,000 persons to 53,300,000.

The House passed and sent to the Senate a bill authorizing the Census Bureau to issue birth certificates based on its vital statistics to persons unable to obtain them through normal channels. The 54,000,000 persons in the country whose births are not recorded could obtain a certificate upon making a sworn application to a postmaster (or his subordinate), which would be forwarded to the bureau to be checked. After verification of the application a birth certificate would be issued so the persons could work in war production plants and receive old age pension benefits.

**Rationing**  
The OPA announced that East coast motorists in localities served by subways, elevated or suburban railroads would be denied supplementary gasoline rations unless they can establish that such transportation facilities are inadequate for their needs. The new regulations would apply to all motorists, including those who help form car-sharing clubs. WPB Chairman Nelson said after July 22, when the new rationing system goes into effect in the East, gasoline deliveries to stations in the area will be based upon coupons taken in by each station. The WPB announced establishment of a "buffer zone" in 162 counties adjacent to the western boundaries of the East coast ration area, in which deliveries of gasoline to filling stations will be cut by 25 percent beginning July 22.

The WPB reported 2,736 trucks, truck trailers and miscellaneous vehicles were released to civilians and to holders of government exemption permits during the week ended July 11. Since March 9, when the rationing program became effective almost 52,000 vehicles in all categories have been released to these two groups. The OPA authorized local War Price and Rationing boards to permit use of any reasonable amount of sugar for home canning, providing four quarts of fruit will be canned with each pound of sugar.

**The War Front**  
A communique from Cairo, Egypt,

reported Maj. Gen. Lewis H. Brereton, formerly commander of the U. S. army air forces in India is now commander of the U. S. air forces in the middle east. Gen. Brereton said American heavy bombers carried out 21 tactical missions in 36 days with the loss of only three U. S. planes. The Navy said U. S. casualties in that theater to date are approximately 44 military and naval personnel killed, 29 wounded and one civilian employee killed.

The Navy reported damage inflicted on the enemy during the battle of Midway June 3 to 6 included: approximately 4,800 Japanese killed or drowned as compared to U. S. losses of 92 officers and 215 enlisted men; 20 enemy ships of all classifications sunk or damaged; and an estimated 275 Japanese aircraft destroyed. The U. S. Carrier Yorktown was put out of action and the destroyer Hamann was torpedoed and sunk. Carribean Defense Commander Andrews said "measures for action against enemy submarines in this area apparently are proving very effective" and anti-aircraft warning systems are greatly improved in the Panama Canal Zone. The Navy announced the sinking of 20 more United Nations merchant vessels by enemy submarines.

**Foreign Relations**

President Roosevelt formally proclaimed a state of war with Hungary, Rumania and Bulgaria, making nationals of those countries residing in the U. S. subject to regulations governing enemy aliens. The President announced lend-lease war aid extended by the U. S. from March 11, 1941—when the program began—to June 30, 1942, amounted to \$5,205 million of which the June total was \$708 million, highest monthly total in the 16 months of the program. The State Department said the U. S. has signed mutual aid agreements with Czechoslovakia and Norway, bringing to nine the number of such agreements. The department also announced the Vichy French government has turned down two offers by President Roosevelt to provide a safe haven for the French Naval units now at Alexandria, Egypt.

**Army and Selective Service**

The Army Air forces present accident rate is 68 percent lower than in 1930 and 10 percent lower than the average rate for the 10 years between 1930 and 1940, War Secretary Stimson said. Mr. Stimson said ev-

ery U. S. soldier going into a theater of operations will receive a package of five grams of crystalline sulfanilamide for wounds in addition to 12 sulfanilamide tablets for internal use. Army Air Forces Commander Arnold announced formation of the troop carrier command charged with transporting by air the fighting men and their weapons and supplies in theaters of operations.

SS headquarters authorized local boards to defer married men until all available single men, including those in war jobs, have been called and to call men with children last. President Roosevelt said it is unlikely a decision will be made any time soon on the drafting of 18 and 19 year old youths for military service. SS Director Hershey said local boards may fill up to 10 percent of their quotas from men deferred because of illiteracy but who are otherwise fit for military service.

**Navy and Shipping**

Three new destroyers were laun-

ched at the Federal Shipbuilding Drydock company, Kearney, N. J. Navy Secretary Knox said an increasing number of small boats, mainly fishing vessels, are being taken over by the Navy, and crews are being trained as fast as possible to augment East coast antisubmarine patrol. Maritime Commission Vice Chairman Vickery said American merchant shipbuilding capacity is now ample to meet the two-year goal of 23,000,000 deadweight tons—approximately 2,300 ships—set by President Roosevelt early this year. He said July shipbuilding figures indicate the nation is 2,000,000 tons ahead of schedule for 1942. Because of the "tight situation" in steel, however, the Maritime Commission said further plant expansion programs must be curtailed for this reason.

The commission cancelled its contracts with the Higgins corporation of New Orleans calling for 200 liberty ships.

**Auction Sale**

**Canida Bros. Ranch** Have decided to quit farming so will sell at public auction the following described property: NW 1/4, Sec. 24, T. 5 N., R. 28, E.W.M.
