Camp Trip to Reward Youths' 'Green' Work

Salem, August 5. — (Special) — Camping in the green forests of the high Cascades, with three glorious days spent in hiking, swimming, patrolling and visiting one of Oregon's highest forest lookout points. That is the award offered all boys and girls who place in a fire prevention contest sponsored this week by the Keep Oregon Green association.

In all, 20 Oregon youths, 10 boys and 10 girls will be selected by contest judges as winners in the expense paid forest outing. As an additional award some top-placing Green Guard squad will all have opportunity to join the other youth in the vacation awards.

According to the contest rules any Oregon boy or girl has a right to participate in the contest. Only requirement is that the youth be enrolled as a Green Guard either thru their own youth organization or by direct contact with the Keep Oregon Green association, State Forestry building, Salem. Those not yet enrolled as Green Guards should apply for membership at an early date in order to prove their eligibility.

What each Green Guard must do is this—see that the fire manual is completely filled out so that it has the name of the local forest warden or ranger and so that all fire prevention activities are checked. Then mail the fire manual along with a letter telling of fire prevention activities to State Keep Oregon Green headquarters. All entries must be postmarked not later than midnight September 15.

Complete contest rules will be mailed to all Green Guard captains, youth leaders and county chairmen this week. The outdoor vacation reward which will come just before school begins is offered Green Guard contestants because of their help in fire prevention. R. C. Kuener, state secretary, Keep Oregon Green, announced. He added that N. S. Rogers, state forester, Lyle F. Watts, regional forester, U. S. Forest service, and John B. Woods, Oregon Forest Fire association, were cooperating in sponsoring the fire prevention awards.

Going fishing? Take along a Fag Bag. It's a brightly colored sack for that pack of cigarettes, serving as a reminder against habit or chain smoking while in the Oregon woods. Made by the Girl Scouts and distributed by the Keep Oregon Green association, the Fag Bag is available from your nearest forest warden. Yes, you guessed it, they're free.

SOCIETY CHIT-CHAT
By JUNE SMITH

All members of the Woolgrowers auxiliary and their friends and children are invited to a picnic to be held tomorrow at 1:15 p.m. on the court house lawn. A very short business meeting will be held, and several entertainment features are planned.
