**Greenfield Grange**  
**Host to Pomona**

By Mary Ludell

Morrow County Pomona grange was guest of Greenfield grange at Boardman on Saturday, Oct. 3.

Reports and discussions on fire laws, dairy situation and synthetic rubber problems, filled the business hours preceding the bounteous noon meal served by the ladies of the Home Economics club.

Although war conditions effect to some extent the traveling facilities of farm folk, the subordinate reports show that an average attendance and membership still prevail over the county.

During the lecture hour the following program was presented by the lecturer, Mrs. E. C. Heliker.

Song, "Smile, Smile, Smile."  
Article, Fire Prevention week, Mary Lindsay.

Voval duets, "Any Bonds," "Golden Tomorrow," Baker girls.  
Original reading, "A Cheerful Visitor", Mrs. Al Troedson.

Talk, Scrap Metal Salvage, Henry Baker.

Scotch song, "We'd Better Bide a Wee," Mrs. McFarland.

Talk, Generalities, Mr. Lechner, Future Farmers Instructor, Boardman.

Article, "Farmers Depend on Congress," Mary Lundell.

Recitation, "Susie Entertains a Visitor," Dot Halverson.

Song, "God Bless America."  
A discussion on the filing of separate income tax for husbands and wives resulted in the appointment of the following committee to confer with the state grange executive committee and lead in study of the problem in subordinate granges, a report to be made at the next Pomona: Marjorie Baker, chairman, Willows grange; Henry Baker, Rhea creek; Orville Cutsforth, Lexington; Minnie McFarland, Greenfield.

As the officers, Pomona elected a year ago, had not qualified to fill the station, the office was declared vacant. A unanimous ballot named Mary Lindsay to fill the vacancy. Mrs. Lindsay will serve until the next election, Nov. 1943.

Hereafter and for the duration only, Morrow county Pomona will hold but two meetings a year, one to be the first Saturday in May and the other the first Saturday in November.

Owing to the rationing of gasoline and tires, the membership felt that the elimination of two meetings would assist in getting a better attendance.

The next Pomona will meet at Rhea creek in May, 1943. The session will convene at 10:00 a. m. Dinner at noon, business meeting until 3:30 to be followed by a lecture hour. Initiation in the degree of Pomona will also be a part of the day's business. A lunch in the evening will complete the meeting. No

night session will be held. It is hoped that this change will meet with the approval of members throughout the county and assure good Pomona attendance.

**Schools Suffer in**  
**Wartime Crisis**

In times such as we are undergoing there is one phase of our national life which suffers visibly and that is our school system. It is apparent on every hand and has school authorities worried to do something about it. This, in effect, was what Miss Florence Beardsley told the Lions club in regular meeting at the Lucas Place Monday noon.

Oregon, which is noted for its lack of support to the public school system, according to Miss Beardsley, is struggling to maintain schedules and keep schools in operation or provide educational facilities in remote areas. It is not a bright picture, the speaker stated and one that is apt to grow more acute as the war progresses.

Morrow county schools are viewed in a favorable light in the words of the speaker, who stated that while connected with the Oregon College of Education at Monmouth she had an opportunity to study records of the schools here and that graduates receiving contracts to teach here were congratulated by faculty members upon their good fortune.

Some change in school financing and a higher teacher pay scale will have to be accomplished if Oregon is to keep abreast of the educational facilities offered by neighboring states, Miss Beardsley concluded.

Guests besides Miss Beardsley included Mrs. Lucy Rodgers, Mrs. O. G. Crawford and Evangelist Willie White.

**RETURN FROM VISIT**

Mrs. C. A. McDaniel, son Everett Hadley and granddaughter Marlene Fisk of Arlington, returned the first of the week from a visit at Willamette valley points. At Jefferson they visited Mrs. McDaniel's father, S. Emery. At Woodburn they visited her sisters, Mrs. Tom Ramsdell and at Portland another sister, Mrs. F. D. Fuqua.

Mr. and Mrs. Roy Ritchie of Salem are guests this week of Mrs. Ritchie's mother, Mrs. Cassie Shaw.

**Women's Work in**  
**War National Theme**

The theme for National Business Women's week, Oct. 11-17, is "Woman's Work in the War." An integral part of the federation's war program for 1942-43 will be the effort of women throughout the country to stress standards and performance in the battle for production.

National Business Women's week has become a national institution. The first observance was in 1928, when Emma Dot Partridge was executive secretary. The national federation has grown in that time from 874 clubs and 50,000 members to 975 clubs and 76,000 members. It is now organized in every state in the nation, District of Columbia, Alaska and Hawaii.

Mrs. Robert Owens of Tacoma is visiting her parents, Mr. and Mrs. E. W. Moyer.
