

Scrap Iron Quota At Ione Doubled

By Mrs. Elmer Griffith

Two cars were provided for the scrap iron here, but from all appearances, that amount will be doubled. It would probably be possible to construct a pageant of the argicultural history of the county if some informed person had time to sort the scrap, as there are farm implements of all ages and periods, commencing with old "sod busters," such as was used in the middle west.

Bert Mason, Jr., photographer's mate, third class, writes his parents, Mr. and Mrs. Bert Mason, that he has been assigned to Fleet Air Photographic Squadron, No. 1; the first photographic squadron in the Navy which was commissioned Oct. 1.
