least complete news,

My mother has sent a copy of
didn't get them very regularly but
now that you have started send-
ing it regularly I am sure that they
will come through just as often
and it save my mother the trouble
of sending them.

I am sure that all the other boys
will appreciate reading it and I
will pass it on to them as soon
as I have read it through. Am
running out of space but before I
close I want to thank you for
your newsy little paper and you can
be assured that all the Heppner
boys will get to read it.

Donald Fell

(The letter was one of those Army
and Navy V-Mail briefs—hence the
"running out of space.")

The Gazette Times is not re-
printing soldiers' letters as a testi-
monial for the paper. The fact that
the paper is complimented by the
boys is merely evidence of the
eagerness with which they seize
every bit of news from home. This
is seen in the following commu-
nication from Pfc Harry Ring, who
is with our forces in Hawaii:

Dec. 2, 1942

Hawaii

Dear Sir:

This is just a short letter to let
you know how much I appreciate
your paper. I know all the boys
in the service from Heppner, Lex-
ington, Ione and surrounding com-
munities like your paper as well as
I do. It is a real treat to read it
and see the things that are going
on in our home towns.

Since I have a new address I
thought I'd write this letter so you
will know where to send me the
paper.

THE MARCH OF TIME:
MR. AND MRS. AMERICA

The Islands are really beautiful,
and the people here are great. I
have been to a number of their
homes and there is none better
than their hospitality. The girls
are friendly but as we men hope-
lessly outnumber them there is
quite a scramble. I've been to sev-
eral dances and it is quite the same
only larger crowds. The amuse-
ment in Honolulu is unlimited and
one can enjoy himself when he
knows the town. I only wish I
could send you some pictures of
the Islands.

As all letters must come to an
end, I shall close. Hoping to hear
from you through your paper, I
remain,

Your friend,
Pfc Harry Ring

Ted Peterson, son of Mr. and
Mrs. Henry Peterson of Eight Mile,
is at the naval aviation base at
Corpus Christi, Texas, where he is
taking a course in mechanics. If
the same squadron and barracks is
Clifford Carlson, son of Mr. and
Mrs. Leonard Carlson of Eight Mile.
Both have been advanced to the
rank of seaman second class.

Ted E. Reed, seaman first class,
who recently returned from Africa
after seeing lots of action, expects
to ship again soon, according to
word received from him by his
brother, Floyd Reed, and uncle and
aunt, Mr. and Mrs. F. E. Reed of
Reed's mill, near Hardman. Ted
landed in New York aboard the
USS Aircraft Carrier Santee. Pri-
or to enlisting in the navy in the
fall of 1941 he made his home with
his uncle and aunt and made a
regular hand in the mill. He and
his brother were reared in Spo-
kane. Floyd expects to join the
armed forces as soon as his arm,
recently operated on, has suffi-
ciently healed.

Mr. and Mrs. Henry C. Aiken
received a letter Sunday from their
son, Joe. He is now seeing service
in Africa and reports himself as
well, happy and plenty busy.

Mr. and Mrs. Harry Munkers of
Ione received a telegram Tuesday
from their son Riley stating that he
was leaving Seattle that morning for
a point in New Jersey where he will
receive seven months special school-
ing in radionics. Riley joined the
coast guard about a month ago and
was one of five boys selected from a
group of 50 to take this special
training for the signal corps. He was
stationed at Port Townsend, Wash.

CHRISTMAS CHURCH SERVICES ANNOUNCED

Holy Communion, augmented by
special music will feature the mid-
night service at All Saints Episco-
pal church this evening. The ser-
vice starts at 10:30 and is expected
to be over by 11:30 or shortly
thereafter.

A carol service has been ar-
ranged for Christmas night at the
Christian church. Special musical
numbers will be offered by each
church of the city, according to
Rev. Martin B. Clark, pastor and
sponsor for the service.

VACATION SHORTENED

The winter term at Eastern Ore-
gon College of Education begins
Tuesday, Dec. 29. It has been ne-
cessary to shorten all vacations
and hold classes on New Year's
day in order to cooperate with
military authorities in solving their
holiday transportation problems.
This will also shorten the school
year so that students may help
with spring work in the fields.

UP FROM LEXINGTON

Charles Klinger of Lexington
was transacting business in Hep-
pner Tuesday morning. He dropped
in and oiled the editor's palm for
another year of the Gazette Times,
a function he had performed regu-
larly since 1929.
