

IONE NEWS NOTES

Mason Contacts Former Residents

By **MRS. OMAR RIETMANN**
Mrs. Steena Scleevoight is very ill in the Heppner hospital where she was taken Friday evening. She was threatened with pneumonia.

Robert Rietmann returned home Friday evening after spending the winter in California.

The monthly Missionary society met at the Congregational church parlors Thursday. Hostesses were Mrs. John Bryson, Mrs. Frank Engelman and Mrs. James Warfield.

Mrs. Franklin Ely was called to Portland last week by the death of her father, D. W. Pierroit.

Mrs. Verl Frederickson of Heppner was in charge of the third and fourth grades during Mrs. Ely's absence.

Judge Bert Johnson received word of his mother's sudden death last week. Mrs. Johnson was well known here as she often visited her son.

Mrs. Hazel Graham of Tillamook associate grand conductress of the Order of the Eastern Star, held a school of instruction for the officers of Locust chapter of Ione Thursday evening.

Pfc Charles "Bud" Lundell who visited his family and friends on a 10-day furlough, returned to Fort Worden, Wash., Tuesday. He plays a saxophone with the Coast Artillery band now stationed at Fort Worden.

Bert Mason returned Friday from San Diego after visiting his son, Bert Jr., who is photographer's mate second class. While on the trip Mr. Mason reported seeing Mr. and Mrs. J. A. Waters, William Thompson, T. B. Buffington, Ensign Ellwayne Lluellan, Sgt. Ray Philips, Mrs. Maude Devine in California and his son Dorr and wife in Portland.

Gene Newlin of Seattle is visiting in Ione this week.

Mr. and Mrs. Johan Troedson have moved back to their ranch for spring work. They have been living in the Park apartments.

The Clara Newlin house and property have been sold to Ernest Heliker. Mr. and Mrs. Donald Heliker will occupy the house at present.

Mrs. John Bryson left Saturday for Portland to visit her son Houston.

Francis Troedson is visiting his parents, Mr. and Mrs. Johan Troedson.

The monthly meeting of the Ione P-TA will be held Wednesday, March 17, at the school building. The speaker will be C. D. Conrad, Morrow county agricultural agent, who will give a talk on Victory gardening.

Mrs. America Meets the War

Although Junior may insist it's still spinach, the OPA has extended price control to the green vegetable made famous by Popeye. Besides spinach, six other fresh vegetables have been brought into the price control fold by the OPA. This is particularly good news to Mrs. America now that canned vegetables are rationed, and she will be shopping for fresh vegetables to make ration stamps go as far as possible. According to the OPA, Mrs. America should not pay more for lettuce and spinach than the top price charged by her grocer from Feb. 20 through Feb. 24, and cabbage, carrots, snap beans, peas and tomatoes also have been brought under control at the top prices charged by the individual merchant from Feb. 20 through Feb. 24.

And here are tips on the proper storage of vegetables to prevent food waste. Exports of the bureau of home economics of the department of agriculture recommend that raw salad vegetables should be washed, drained and stored in covered vegetable pan in a cold place. Cooking greens should be washed, drained and piled loosely in covered vegetable pan or water proof bag and kept cold. Beans, peas and corn should be kept cold and preferably in the pod or husk until ready for use. Vegetables in the cabbage family should be left uncut, cold and not too dry. Onions should be stored dry, cool and dark, but avoid freezing.

Mr. America can keep his shirt on, and he may even save a few cents on it, thanks to the OPA. For if the shirt has been made according to the WPB simplification order, the OPA decreed that savings in manufacturing costs should

Mrs. H. O. Ely returned to her home at Morgan Friday after spending some time at Heppner under medical care.

Mr. and Mrs. Alex Thompson who have been on the Fisk ranch have left for Klamath Falls. Mr. Thompson plans to take treatment for an injury to his leg, received last December.

Mrs. S. R. Stone of Pasco spent Saturday and Sunday at the home of her daughter, Mrs. James Warfield. She was accompanied by her son Richard who is to be inducted into military service March 11.

Miss Georgia Currier, science teacher in the Ione high school, spent the week-end in Portland.

Mrs. Echo Palmateer had as her guest last week Mr. and Mrs. Sim Heiple and son of Portland. Mrs. Heiple is Mrs. Palmateer's niece.

be passed on to consumers. This price regulation also applies to boys shirts and to pajamas for men and boys. Each garment made in accordance with the WPB order must be labeled with the symbol "R" for reduction. That's how the shopper can be sure it's made in accordance with WPB simplification orders.

The click of needles knitting sweaters and sox for military needs will continue to be heard despite the fact that steel cannot be used in the manufacture of knitting needles. Plastics and other non-metallic materials are used for larger sized knitting needles. The ban of steel has hit the crochet hook too.

Mrs. America will be learning long-range planning as far as the use of sugar is concerned. When sugar stamp No. 12 becomes valid on March 16, it will be good for five pounds of sugar, however, it must last until the first of June. Stamp No. 11, good for three pounds, is valid until March 16.

Mrs. America's purchases of glass utensils have tripled since Pearl Harbor, and now that metal shortages have invaded the kitchen many more articles of glass have appeared as replacements. A deep dish pie plate with a fluted edge is a popular number in glass and so is a versatile salad bowl which can be used for mixing, baking and serving. Perhaps a glass topped table sounds dangerous for the kitchen but not if it is a heat resistant glass which is strong.

And here's a fashion note . . . although two-color shoes are prohibited by the WPB simplification order, two-texture shoes are permitted. So, leathers of two different kinds may be used together and combinations of leather and fabric are approved if they are the same approved color.

Speaking of shoes, rest assured that no child will need to go without proper fitting footwear under shoe rationing, actually, the ration for men is liberal and so father's stamp could be used to buy additional shoes for Junior. But if a child needs a pair of shoes and there is no stamp number 17 available in the family to buy shoes for him, parents may apply to the local war price and ration board for a shoe certificate.

CARD OF THANKS

We wish to express our heartfelt thanks to our many friends for their expressions of sympathy, for the beautiful flowers and cards, for the kind assistance, in our bereavement over the loss of our beloved husband and father.

CHURCH PROPERTY TO BE IMPROVED

Improvement of the church property was authorized at the annual meeting of the Ione Church of Christ, held in the parlors of the Congregational church Monday evening. The pastor was authorized to put on a campaign to get the building painted and Saturday, March 20, was set apart as clean up day at which time the grounds will be beautified and the appearance of the property generally improved.

Dr. C. F. Swander of Portland was guest speaker at the meeting Monday evening, at which time Mrs. Olive L. Engleman was elected chairman, Vera Rietmann, secretary, and Henry Clark was re-elected to the board of trustees for one year.

NOW FIRST LOUIE

Mr. and Mrs. Ray Drake have received word that their son Donald, who is with the armed forces somewhere "out there," has held the commission of first lieutenant since some time in January. (Recognition of this sort usually follows meritorious service.)

Save For Victory

MUCH of the so-called "junk" around the house is a victory weapon in disguise.

One old iron, for example, will provide scrap for two helmets . . . One old garbage can contains enough metal to make two .30 calibre rifles . . . Fifty feet of garden hose contains enough rubber for four raincoats . . . Thirty-two empty tooth paste and shaving cream tubes contain enough tin for one fighter plane . . . One pair of worn-out tire chains provides the metal to make twenty .37 MM anti-aircraft shells . . . One old lawn mower can join the scrap in the guise of six 3-inch shells. So don't throw any scrap away. Give your Salvage Committee a crack at it.

That also goes for waste grease. The government says that if every single one of us housewives in the United States were to save a tablespoon of waste fat every day for four days, it would produce glycerine to make 13,000,000 pounds of gunpowder.

But before turning in waste fat—and this is on Uncle Sam's say-so—use as much as you can in the preparation of foods. Drippings can be substituted for butter in cooking all but the most delicately flavored dishes. Trimmings, too, can do a job—chopped fine, they pinch-hit nicely as shortening in steamed puddings and pie pastry; rendered, they can be used in frying potatoes, hash, corn meal mush and the like.

MENU

- Oatmeal Meat Loaf
- Potatoes au Gratin
- Gelatin Fruit Salad
- Cornmeal Muffins - Butter
- *Suet Spice Cake
- Milk

*Suet Spice Cake Recipe
2 1/4 cups sifted cake flour
2 1/4 teaspoons baking powder
1/4 teaspoon salt
1 1/4 teaspoons cinnamon
1/4 teaspoon nutmeg
1/4 teaspoon cloves
1/2 cup rendered suet
1 teaspoon grated lemon rind
1 cup light corn syrup
2 unbeaten eggs
1/2 cup milk
1 teaspoon vanilla

Sift flour with baking powder, salt and spices. Cream suet with lemon rind, add syrup gradually, beating well. Add 1/4 of the flour, beating well, until smooth and well blended. Add eggs one at a time, beating well after each. Add remaining flour alternately with milk, beating well after each addition. Add vanilla. Pour into two 8-inch well-greased and floured cake pans. Bake for 25-30 minutes in preheated 375° oven. To render suet, place in saucepan over medium heat. As suet melts, pour into bowl. Store in cool place until ready to use.

NEXT WEEK: Hidden Health.

Be Patriotic!

EAT MORE SHERBET

thus releasing more butterfat for our fighting forces.

Discerning tastes are rapidly switching to
Sherbet

since it has been learned that we are making our own products exclusively . . . those delicious milk base, fruit-flavored ices, made up just like our famous ice cream. You will be delighted—you will be pleasantly surprised!

ON HAND NOW

Strawberry, Strawberry Marshmallow, Orange, Orange Marshmallow, Raspberry, Lemon Pecan, Lemon, Pineapple

DON'T FORGET! We are still serving Double Thick Milk Shakes!
