Anglers Urged to Turn in Fish Reports

Anglers are urged again to cooperate with the Oregon State Game commission by mailing in catch record cards for all fishing trips made. A report is wanted even if no fish are caught.

The orange-colored cards, which are simple to fill in, need not be signed and need no postage. They can be secured from state police officers, game license agents, fishing resorts and boat concessions as well as from the office of the game commission.

The commission desires to secure as much information as possible as to the angling success in the various streams and lakes of the state.

AMERICAN HEROES
BY LEFF

Hyman Epstein knew that after wounding a man the Japs around Sanananda were withholding their fire, using the injured soldier for bait until unarmed medical aides like himself came into range. Yet again and again he crept out under sniper fire to rescue wounded comrades until at last the Japs got him. "That kid was the best," his commander said of determined little Hyman Epstein.
