

Our Men in Service

COMING ON FURLOUGH

Pvt Keith Marshall of the army air force is scheduled to arrive in Heppner Saturday evening to visit Mrs. Marshall and other relatives and friends. Pvt Marshall has been taking link training at Courtland, Ala.

EX-CCC YOUTH VISITS

Cpl Delbert Potts of the U. S. Marine corps has been visiting friends in Heppner this week. He is an ex-CCC enrollee and since joining the Marines has seen service in Iceland and in the Solomons. He participated in major battles in the south seas and has been awarded two service stripes.

BROTHERS MEET

Mrs. Lee Sprinkel has received word that two of her brothers, Pfc Raymond Blahm and Pvt Henry Blahm, have met on one of the islands of the Pacific after a separation of 16 months. They were on the island three months before meeting. Another brother, Elmer L. Blahm, S2c, is attending aviation radioman school at Memphis, Tenn. The boys are sons of Mr. and Mrs. Adam Blahm, formerly of this county but now residing near Hermiston.

RETURNS TO MEDFORD

Mrs. W. P. Herron returned to her home in Medford Friday after spending a few days here with her mother, Mrs. Rosa Eskelson.

Mr. and Mrs. Phil Griffin of Ione took Mrs. Ted Burnside and infant daughter to Portland Wednesday to seek medical aid for the child.

We have just received a shipment of Vigoro fertilizer for gardens and lawns. Rosewall Motor Company.

Thorough Canvass Of County Brings Satisfactory Results

By Mrs. Ralph Thompson

This week the orchids go to all the good people that are canvassing each town and each ranch in the county. They are taking the towns street by street, asking each merchant, each man in his office, trying to reach every ranch and farm, and every business establishment. Remember it is much easier to give money than to ask others to give. It takes you much less time to hand over than to go about asking others to hand over. "Hand over" is the right word for it. Members of the committee who attended the July meeting of the council discovered that \$7500 had been donated in the past year. Out of this sum Morrow county had given \$163. That is not the way Morrow county folks act so the committee got busy and the money is rolling in. If you are overlooked, send in your donation, either to the bank or put in it one of the bottles which are placed about Heppner.

We heard that boys coming down from Attu with frozen toes and feet that had to be amputated were sitting about resting these limbs on boxes. Other boys were sitting on boxes. As the \$150 we sent to furnish a ward arrived too late we said to buy chairs with that sum. Then we learned the boys coming out from the worst operations were put in a ward that had no blinds and no air conditioning. The council voted to buy three air conditioning units and one set of venetian blinds for the ward with the worst cases. Morrow county is sending a check today to pay for the air conditioning and blinds in this ward. This will cost \$400 and thanks to everyone we have the money to send. The people of Ione and vicinity had their donations in early enough to pay a large part of this.

Some of the orchids should be given to Mrs. Ernest Heliker of Ione and her bottle at the grange dance Saturday night in Ione. We hear it contained \$25 after the dance, one of the few bottles that go to dances and come back full. How about our dancing boys and girls doing this at every dance this summer. They have feet that can dance. Once these boys from Attu had dancing feet. When other action starts in that section there are going to be more boys over at McCaw that will need comforts and cheer. Your donation is going to pay for that.

War Bonds should mean something more to you than just "a good sound investment." Figure it out yourself.

RECEIVES CERTIFICATE

Mrs. Lera Crawford, spending the summer at Berkeley, Calif., writes the Gazette Times that her son John successfully passed the examinations and now is a certified public accountant. John completed his course at the university of Oregon with the class of 1943. He is awaiting his call to navy duty and expects to be sent to Notre Dame for further training.

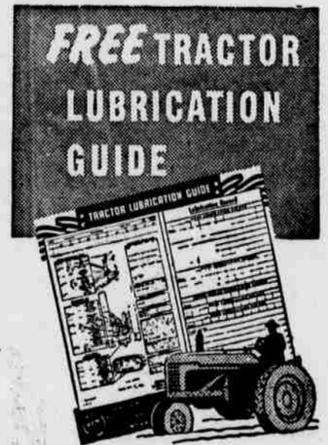

PATIENT IN HOSPITAL

A. L. Ayers is a patient in a Pendleton hospital, going to that city Wednesday.

fire closures on the 13 national forests became effective Monday, July 12. Three types of entry closure are in effect again this year. Areas of extreme fire hazard are closed to all entry. Areas of relatively high hazard are closed to entry except with permit. Such permits are issued only to persons having business in the area, such as home owners, loggers, all use in these areas is not per-stockmen and ranchers. Recreation-mitted. Other areas are open to entry only after registration. These are the principal recreation spots, which can be used without undue out special restriction, except as to hazard to the forest. Other areas of low hazard are open to entry with campfire permits, no smoking while traveling, and carrying fire tools—shovel, axe and bucket.

The forest service suggests that persons desiring to visit the national forests call at the nearest ranger or supervisor headquarters to ascertain the degree of closure or other wartime restrictions.

County War Meat . . .

Continued from First Page
tee feels that an adjustment is justified, and in such cases an appeal can be made to the food distribution administration.

5. Farmers who have no record of their 1941 slaughters may obtain a permit to slaughter for sale their choice of 300 pounds of meat or 3 animals including not more than one beef.

6. Farmers do not have to obtain a slaughter permit for slaughtering meat for their own use.

7. The permit number must appear on all carcasses or wholesale cuts that are sold or transferred. This may be stamped on the carcass or written on with indelible pencil.

8. Regulations have recently been changed to permit custom slaughterers to slaughter livestock for farmers without collecting points.

9. Persons who are not farmers who purchase live animals and have them custom slaughtered for putting in cold storage lockers for their own use must turn over ration points to the custom slaughterer.

10. Persons who are not farmers who are feeding out meat animals for their own use must obtain a butcher permit before they can slaughter such animals point free. Such animals must be raised from birth, fed at least 60 days, or the weight of the animals increased 35 percent.

11. All butcher shops, restaurants, and others who buy live animals and have them custom slaughtered

for sale through their establishments must apply for a butcher's permit.

12. All applications for slaughter permits and butcher's permits must be placed with the county war meat committee at the office of the county USDA war board.

13. Farmers who customarily exchange or trade meat with their neighbors may do so to the extent of 125 pounds per family.

What You Save at Penney's— SPEND WITH UNCLE SAM Buy War Bonds and Stamps

THIS month, all the people in your Penney store have banded together in a spirit of patriotism and teamwork to sell War Bonds and Uncle Sam.

From the First of July right through the month, War Bonds will be the featured merchandise at Penney's—they'll be given "star billing" along with our July merchandise bargains.

We hope you'll take advantage of this campaign. By buying bonds, you'll help to shorten the war—help to bring your boys and ours home sooner.

War Bonds are the Blue Chips of the financial world—the finest value we have ever been able to offer. For every \$3 you invest in them, your government will pay back \$4 at the end of 10 years.
