A realistic, disturbing drama of Norway's fight against its oppressors.

Army Air Corps Training Offered Eligible Youths

An important army air corps program to recruit more men for the aviation cadet training program was given the official backing of Gov. Earl Snell in a conference with Majod Eric K. Shilling, who is on a special commission in Oregon to stimulate cadet recruiting. Major Shilling will head an aviation cadet examining board that will visit Heppner on Sept. 11 and headquarters will be at the city hall from 1 p. m. to 5.

Gov. Snell urged that Oregonians give their utmost cooperation in insuring the success of this program.

There is an urgent need for young men between the ages of 17 and 26 years to apply for enlistment in the army air corps, it was emphasized by Major Shilling. The heavy production of airplanes and the increased role of air power in our offensive warfare have brought on this new demand for more aviators, revealed Major Shilling.

This unusual opportunity to sign for air crew training is offered to two groups. Qualified 17-year-olds may enlist in the army air corps, enlisted reserve. Upon their enrollment they will be presented with official aviation cadet "Silver Wings" which will be worn on their civilian clothes to indicate that they are future flying soldiers. These men will not be called until after their 18th birthday. They may continue with their civilian employment or education until such time as they are called for training.

Men from 18 to 26, inclusive, who are of draft age, may take the cadet examinations and if found qualified will be authorized to volunteer for induction into the air corps. To be eligible for this program, the applicant must not have received his orders to report for induction from his selective service board.

Those interested in obtaining more information on the aviation cadet program and the forthcoming visit of the traveling board should contact Frank W. Turner, local aviation cadet procurement chairman.

Ione. Billy is in training along the Atlantic coast.

Kenneth Jackson, son of Mr. and Mrs. Ralph Jackson, former Lexington residents, is a student at the University of Vermont. Kenneth is a member of the army air corps.

Mr. and Mrs. Don Jones have been visiting relatives in Heppner this week. Don was on leave from Camp Farragut where he has been stationed nearly a year. He thinks he will complete his training there.

Aviation Cadet Bill Biddle, 21, has just completed the army's primary flight training course at Thunderbird Field No. 1, Glendale, Ariz., and has now commenced his basic flight training at another air field. A/C Biddle, son of Mrs. Lela Viola Brown of Ione, is a graduate of Ione high school and at the time of entering the service was employed by the Morrow County Grain Growers, Inc. at Ione.

Dine Out--Here

When you wish that every pot and pan in the world were at the bottom of the sea with the Jap fleet, dress up, phone hubby, tell him you'll meet him at Heppner Cafe for dinner . . . You'll save your ration coupons, turn your dark clouds inside out, and have an enjoyable time—and not harm your budget a bit.

HEPPNER CAFE

RESOLUTIONS OF RESPECT

In memory of Walter E. Bristow, who died Aug. 29, 1943.

The Angel of Death has entered our midst and we are called to mourn the loss of a faithful friend and co-worker.

Our teams are mingled with yours, your sorrows are ours. May the gloom of the sorrowing ones be dispelled by the promise, "I am the Resurrection and the Life, sayeth the Lord; he that believeth in Me, though he were dead, yet shall he live and he that liveth and believeth in Me shall never die."

Resolved, that Bunch Grass Rebekah lodge, No. 91, I. O. O. F., of Ione, Oregon, in testimony of our loss, be draped in mourning for the allotted time and that we tender the family our deepest sympathy in their affliction, and that a copy of these resolutions be sent to the family.
