

close in for the finish

.. Buy Invasion Warbonds Now!

A champion doesn't slow up when his opponent is on the run. Instead he tightens his belt and steps quickly in for the finish.

We've got Benito out of the way—Adolph and Tojo are on the run. We can tighten our belt by buying Invasion War Bonds. Every bond is another killing blow for the Axis. Let's end this fight quickly. Let's not allow the enemy time to recoup.

The time to finish it is NOW. Buy more bonds than you think you can. Buy them and keep them. Hoard every bond you can. Save them for the day when every \$3 you invest now will be worth \$4 in good American money.

Add your bit to the knockout punch---buy an extra \$150 Bond.

Our boys are out there slugging it out with the Axis . . . We can best help them with our money!

Become a Stockholder in the greatest enterprise on earth---Uncle Sam's War Chest. Buy Bonds Today!!
