TOP OF ANCIENT HIGHBOY LOST ON WAY TO TOWN

Mrs. R. B. Rice reports loss of the top board from a highboy when their furniture was moved in from the ranch to Heppner last July. The top was made of cherry and is thought to have been lost along the base line road.

The ancient piece of furniture which formerly belonged to Mrs. Rice's grandmother, was shipped from New York to Missouri in 1836 and after running through a succession of heirs was shipped to Mrs. Rice about 22 years ago. She would be greatly pleased to locate the missing piece.

The Land Bank, which serves the four states of Oregon, Idaho, Washington and Montana, has just invested \$3,000,000 in bonds, which have been pro-rated to each state. The state allocation, in turn, has been credited to each NFLA group office county on the basis of the number of land bank borrowers.
