ONE FOR ALL

When you give this month, to our community's war fund, you also give to the National War Fund. You give ONCE for ALL the agencies herewith listed. Your gift is divided in many ways . . . in proportion to the need! Some will go to the needy here in your community. Some will go to relieve distress and sustain the morale of our allies. Some will go to provide the comforts and pleasures of home for our own troops, through the USO.

Look at the names of the agencies. You have given to many of them before . . . small gifts perhaps when your heart was touched. Add up what you gave before . . . then double it. You cannot give too much. The need is so great!
