"PAUL BUNYAN", legendary hero of the lumber camps, has swung his gleaming ax at the Axis to add new chapters to his saga. Once again America's mighty forests have answered the call of the nation.

In peace or war Bunyan has always served his country well. In peace his industry provides wood for homes, schools, churches, and newspapers. In war Paul's disciples step up their pace to produce materials for ships, planes, barracks.

Imbued with the pioneer spirit necessary to win this war, a half million Bunyans are "delivering the woods"!
