## WAC SPEAKER

After a large build up by Mr. Parker which proved to be a misleading pun about wax, a former Heppner resident, WAC Lt. Rose Liebbrand spoke to the Heppner high school student body, Monday, Nov. 15.

Her speech was concerned mainly with the importance of the army general classification test for both men and women entering the army, the life of a WAC, her duties, and the opportunities for young women entering this branch of the service.

## GRADES VISIT BAND

During band practice Monday, the students of the third and fourth grades in the interest of music appreciation, were present in the music room, as Mr. Peavy, Heppner high school band director, explained the different instruments to the students. Individual demonstration by band members aided Mr. Peavy.

More classes of music appreciation are expected to be present during future band practices.

## MUSTANGS AND BLUEDEVILS CLASH FRIDAY

Friday, Nov. 19, the Condon Blue Devils invade the Heppner Mustangs on the Rodeo field. This game will be the last of the season for both teams.

Condon will be out to revenge the 6 to 0 defeat handed them by the Mustangs two weeks ago. It is hoped that the Mustangs will do it again, and of course four seniors will be out to win the game that will probably end their football careers. These four are Bob Wright, Bob Runnion, Herb Schunk and Nick Taylor.

It is hoped there will be a good turnout for the last game of the season.

## Mrs. McAtee Bride Of Michigan Man

Heppner friends this week received copies of the Republican-Times published at Ottawa, Ill., containing announcement of the marriage of Mrs. Lucille McAtee daughter of Dr. A. P. Culbertson of Vickeryville, Mich., and Volney W. Hare of Fenwick, Mich. The ceremony was performed late Saturday afternoon, Nov. 6, by Rev. C. H. Heller at the Grand Ridge church. Mrs. William B. Pusey of Ottawa, cousin of the bride, was matron of honor, and Ralph A. Nickerson was best man.

The bride has been making her home in Ottawa with Mrs. Pusey. She taught in Grand Ridge high school and for the past year taught at the Consolidated high school at Kings, resigning that post to be married.

A graduate of Mt. Pleasant Preparatory school and later the University of Michigan, Mrs. Hare came west with her father who established practice in Heppner. She taught in the high school and later was married to Arthur A. McAtee. Following his death she remained in Heppner, leaving about four years ago to make her home with her father in Michigan. She has two sons, Arthur A. McAtee, S 1c in the U. S. navy, stationed at Mayport, Fla., and William A. McAtee, C. M. 3c, stationed in the Aleutian Islands.

Mr. Hare has a farm at Fenwick where he and his bride will make their home.

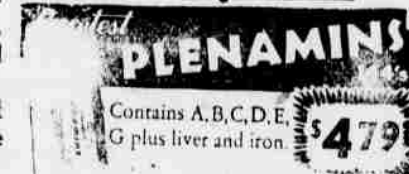

of this year's senior class was next to be interviewed. Enrolled upon her fourth year in Heppner high school finds Joene active in many things. She is a typist on the Hehisch staff, a proof reader on the annual staff, and a member of various organizations, in which she actively partakes and holds offices.

## VISIT IN MILTON

Lt. Rose Leibbrand and Miss Leta Humphreys drove to Milton Tuesday to spend the day with Lt. Leibbrand's mother, Mrs. William Leibbrand.

## ATTENDS ASSESSOR CONFAB

County Assessor W. O. Dix spent Friday in La Grande attending the annual meeting of the county assessors.

HUMPHREYS DRUG CO.

## REBEKAHS OF COUNTY HOLD DISTRICT CONVENTION

Rebekah lodges of district No. 20 met at Ione Nov. 6 with 56 members in attendance. Special guests for the event were Mrs. Bertha McCullom, president of the state assembly and Gladys Drake assembly musician to whom corsages and gifts were presented.

Address of welcome was given by Mrs. Vida Heliker with response from Mrs. Margaret Thomas of Heppner.

At the evening session which followed a buffet supper the president made her official visit. An interesting program of musical numbers and talks was enjoyed also.

Officers for the ensuing year were elected as follows: Bernice Bauman, chairman. Sans Souci lodge No. 33; Frieda Majeske, vice chairman, Holly lodge No. 139; Etta Howell, secretary-treasurer of Sans Souci. Retiring officers were: Elaine Rietman, chairman, Bunch Grass, No. 91; Annie Keane, Holly, No. 139, vice chairman and Lena Lundell, secretary-treasurer Bunch Grass, No. 91. The Heppner lodge will entertain the group next year while Lexington lodge has invited them for the following convention.

## VISITS AUNT

Mr. and Mrs. J. O. Turner returned Thursday from a trip to the Willamette valley where Mrs. Turner visited a day or so with her uncle and aunt, Mr. and Mrs. James Cooley of Brownsville.

 Candied Sweet Potatoes  
 Combination Salad  
 Apple or Pumpkin Pie  
 Dinner any time from 12 noon on  
**Per Plate \$1.50**

**Victory CAFE**

IONE, OREGON

**That's right!** The average price we get per hour for the work Reddy Kilowatt does for our 59,240 residential customers is now almost 20% LESS than it was in the pre-war year of 1940.

In the 12 months ended September 30, the average amount we received per kilowatt-hour for residential electric service was only 2.03 cents, compared with 2.51 cents three years ago.

What else among the things you buy each month can equal this low-price record?

*Our taxes are up, too!*

Along with other citizens and self-supporting business enterprises, we are paying more and more in taxes each year, which makes this drop in price really significant.

Our 1943 tax bill will amount to about \$1,300,000. More than half of this will go directly to the United States Government, which needs tax revenue more urgently today than ever before in our Nation's history. Our 1943 taxes will be more than ONE-THIRD GREATER than they were in 1940, when we thought \$950,374 was quite a chunk of money!

*Use electricity wisely, even though it's cheap*

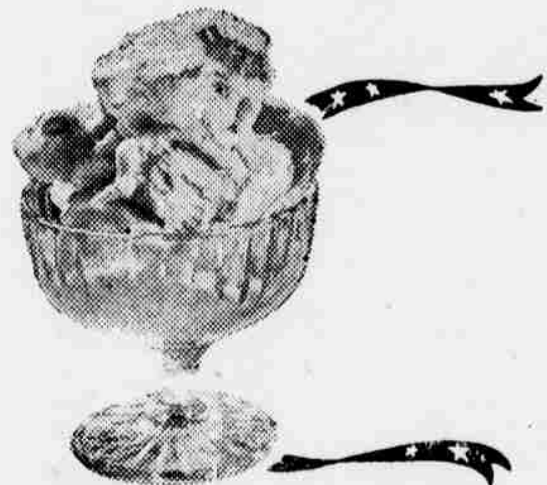

In ordinary times we would wind up this story by suggesting you go out and buy added electrical conveniences so you could make even greater use of our low-cost kilowatt-hours.

But not today! Appliance manufacturers are busy 'round the clock on war orders. Copper, steel, nickel, rubber and many other things are on the critical list. Freight cars that used to bring you refrigerators and ranges are loaded to the guards with vital war goods.

So take good care of the electrical equipment you have. Make it last by avoiding wasteful use. Even though there's plenty of electricity available for all essential needs, remember that you can't waste it without wasting part of the useful life of your electrical devices.

**BUY WAR BONDS** today for the wonderful new electrical comforts and conveniences you'll want to enjoy after victory!
