"Silent Night"

The battle is over.

The bomb-shattered village is deserted, lifeless.

And the silence that greets our invading men is deathly. It's the kind of grim stillness many of them will know on Christmas Eve this year.

Not like the warm, beautiful "Silent Night" we know. Not like the peace in our homes the night before Christmas.

But the only way we can have some peace in our hearts is to know that we're helping bring our men back. *Actually* helping by buying all the War Bonds we possibly can. And by *giving* all the War Bonds we possibly can.

For no other gift could mean so much this year . . . no other gift could do so much good.

In War Bonds, lies the spirit of Christmas.
