BOARDMAN NEWS

By MARGARET THORPE

Morrow County Pomona and county wide installation of new officers by state grange officers was held Wednesday, Dec. 15. The forenoon was spent with a business meeting conducted by Pomona master Minnie McFarland. After a lovely dinner our worthy state master Morton Tompkins gave a very interesting talk on his recent trip to England. The officers were then installed. A recreation period was conducted by Edith Bohnert and everyone participated. In the evening the 5th degree was put on by Greenfield grange initiating a large class of Greenfield members. The Greenfield grangers greatly appreciated the many compliments given by visitors on the improvements made on our hall. Through the faithful work by a number of members the new ceiling was finished in time for the meeting. Dressing rooms on each side of the stage will also be added in the near future.

Mrs. Gladys Ford of Waitsburg spent Wednesday in Boardman where she attended grange and visited many old friends.
