Seeks Senatorship . . .

Edgar W. Smith, democratic candidate for U. S. Senator from Oregon for the long term, announced Saturday that his campaign will be managed by Leo Smith. No relation to Edgar, Leo Smith is a Portland attorney. He is now serving his third term in the state legislature, but is not a candidate for re-election to that office.

In announcing the appointment, Edgar Smith pointed out that Leo Smith has been active in democratic party affairs for several years. He is president of the Willamette Democratic society, past member of the executive committee of the Multnomah Democratic central committee and chairman of the state legislature interim committee to study the merit system for state employees.

Leo Smith said that the Edgar W. Smith for senator campaign offices will be opened in Portland soon. He added that he felt "privileged to donate my services to support a life long democrat and native son who has been an outstanding success all his life."

WORD OF APPRECIATION

We take this means of thanking neighbors and friends who rushed to our aid when fire destroyed one building and threatened other buildings on our place. But for this timely aid our loss might have been much greater.

HEAVY HOG SUPPORT TO END

The WFA support prices for live hogs weighing from 270 to 330 pounds will be terminated April 15. After that date support prices will again apply only to good and choice barrows and gilts weighing from 200 to 270 pounds. Extension of price support to hogs weighing 270 to 300 pounds went into effect Dec. 23, 1943, and to hogs weighing up to 330 pounds last Jan. 27, to encourage orderly marketing and to protect farmers from heavy discounts for hogs over 270 pounds.
