

## BOARDMAN NEWS

By MARGARET THORPE

A party was held at the school house Wednesday night in honor of Bob Smith, Lyle Robertson and Vernon Russell. Vernon and Lyle left for the service Thursday morning and Bob will go next week.

Mrs. Chas. Anderegg and daughter Barbara have just recovered from the measles.

P.-T.A. met Thursday night at the school house. The program consisted of those present contributing some number. Following the business meeting lunch was served in the cafeteria at which several talks were made in honor of Francis Harter who left Saturday night for civil service training. The family is remaining here until school is out and by that time Mr. Harter will know where he will be permanently stationed.

Mr. and Mrs. Frank Merlow and sons have moved into the house recently occupied by Frank Walker. Mr. and Mrs. George Daniel have taken over their milk route.

Saturday night was the regular meeting of Greenfield grange. William Lilly was elected Master to take the place of Mrs. McFarland who has resigned. Margaret Thorpe was elected delegate to the state grange at Grants Pass in June. C. D. Conrad of Heppner spoke on the possibility of draining the project. An investigation will be made by surveyors in the near future.

Overnight guests at the R. K. Miller home Friday night were Mrs. Miller's sister, Mrs. Bertha Heald and daughter and Lt. and Mrs. Jim Keithley and infant son. They are on their way to Kansas where the lieutenant will be stationed.

Ralph Akers of Ione is spending a few days visiting at the home of his daughter, Mrs. Russell Miller.

Mr. and Mrs. John Fisher have moved to Milwaukie, Ore. Fishers recently sold their farm.

Mr. and Mrs. Arthur Allen of Tacoma arrived Sunday to spend a week here working in the bees.

A birthday party was held at the Dan Ransier home in honor of Mrs. Frank Merlow and Miss Shirley Ransier who is celebrating her first birthday.

A cannery meeting was held at the grange hall Monday for further discussion on the cannery to be installed here by the government provided enough interest is shown by local residents. It is asked that everyone interested advance \$3.50 for the purpose of buying a steam boiler immediately as this cannery must be installed by May 15.

HEC met last Wednesday at the home of Mrs. Florence Root with a large crowd in attendance. A service flag has been ordered for the grange hall to include names of grangers or children of grangers.

Mr. and Mrs. Robert Gilliland of Pendleton are spending a few days at the A. A. Agee home.

Mr. and Mrs. Harry Thorpe are remodeling the Adventist church.

FORMER GOVERNOR

CHAS. A.

# Sprague

for United States  
**SENATOR**

(Short Term)

**He knows Oregon—its  
problems and resources.**

**Equipped for  
the Senatorship by  
experience and training**

Paid adv.—Sprague for U. S. Senator Committee  
Ray S. Early, Morgan Building, Portland, Oregon

● Early next month you will receive a check like this for your share of a \$300,000 "rate dividend" to all PP&L electric customers. The amount of your dividend will be approximately one-half of your average monthly electric bill—and it will be paid by *check* and not merely a credit on your next bill.

We are taking this unusual step because there is an unusual condition to be dealt with. The war is causing an abnormal demand for electricity at many places on the PP&L system. Just as a few examples, we are serving new war industries, commercial businesses, air fields, training camps, naval bases and supply depots.

And besides serving electricity to all our *regular* customers, PP&L has been called upon to furnish electric-

ity to a sudden influx of *new* families in the neighborhood of all these war-caused activities. All this has resulted in an unusual increase in our total volume of business.

You and all the other users of our electric service have a right to share in the benefits of this extra business while it lasts. The question has been "What is a sound way of distributing these benefits?"

After thorough investigation, the Washington Department of Public Service and the Oregon Public Utilities Commissioner have approved this "rate dividend" plan as a fair and practical way to meet a war-time situation.

The check you receive as your share of this \$300,000 customer-dividend will reduce further the cost you pay for electricity—which already is only about half national average.

\$15.38

\$5.95

\$5.10

\$4.97

\$4.54

\$4.01

And now, a cash dividend on your electric bill.

**HOW PP&L RATES HAVE BEEN  
REDUCED YEAR BY YEAR.....**

Price of 100 KWH  
of PP&L electricity in  
Heppner homes

It was BUSINESS MANAGEMENT that made these reductions in your electric rates, without calling on the public treasury for help. In fact, PP&L has paid constantly increasing taxes in support of Government while rates were being reduced.
