Why

the People of Oregon Want
CHAS. A. SPRAGUE
in the United States Senate

SPRAGUE knows Oregon—its people, its resources, its problems. His term as governor added to his understanding of state affairs and national and international problems.

As United States Senator, Sprague will support the vigorous prosecution of the war. He favors full cooperation with other nations to prevent other wars. He opposes bureaucracy in Washington and urges early restoration of local liberties and responsibilities.

Send Charles A. Sprague to the Senate and the best interests of Oregon and the nation will be served.

Quotes from the Oregon Press on Sprague for Senator

Charles A. Sprague was as business-like, intelligent and conscientious a governor as Oregon ever has had.—*Portland Oregonian*.

Sprague is scholarly; his international stand is sound and consistent; he is the best qualified in general capacity and the strongest political contender for the post.—*Cool Bay Times*.

Charles A. Sprague will be a decided asset to this state as a member of the U.S. senate; he should be nominated and elected.—*Newberg Graphic*.

Sprague was a good governor; he will serve Oregon with credit in the U.S. senate if elected.—*Pendleton East Oregonian*.

With Sprague running, the voters of Oregon have at least one qualified man to vote for.—*Corvallis Gazette-Times*.

Mr. Sprague has unquestioned ability and statesmanship.—*Klamath Falls Herald and News*.

There are thousands of Oregon voters who . . . now will welcome the opportunity to lend their support to Sprague because they regard Mr. Sprague as a man of highest character, of statesman-like qualities and of a temperament which peculiarly fits him for the duties of a lawmaker.—*Gresham Outlook*.
