## MRS. LETRACE MARRIES IDAHO MAN SUNDAY

A wedding of interest to Heppner was solemnized Sunday, June 11, in the Episcopal church at La Grande when Mrs. Neva Letrace of Heppner became the bride of Mr. John Routson of Weiser, Ida., Rev. Clarence Kopp, rector, officiating. The ceremony was performed at 1 o'clock p. m. in the presence of relatives and a few invited guests. The couple will make their home at Weiser.

Attending the wedding from Heppner were Mr. and Mrs. E. Letrace Mr. and Mrs. Orian Wright, Mr. and Mrs. Harry Parsegan and Louis Letrace.

## Radio Electronics Course Available

An opportunity for both youths and men to enlist in the navy's radio technician program and receive thorough training in radar and radio electronics was announced by Grace Turner civilian navy recruiting representative in Heppner.

Those qualifying will be trained in the navy's high frequency radio schools for a minimum of ten months. They will be enlisted, or inducted as seamen first class and be promoted to petty officer third class in five months and to first or second class petty officer upon completion of the course. The average pay during training is approximately \$75 a month, with all expenses paid.

Anyone from 17½ to 50½ years of age who can pass a simple test in elementary high school mathematics and physics is qualified for assignment. Men who have received their orders to report for pre-induction physical are not eligible but men who have already taken their physical and been assigned to the navy "pool" may take it prior to induction.

## VISITING BENGES

Mrs. O. M. Bengston and children of Medford are visiting at the home of Mrs. Bengston's parents, Mr. and Mrs. R. L. Bengt.

## UNSIGHTLY MARKS EASILY REMOVED FROM LINOLEUM

Blame the war for the black marks appearing on floors from rubber soles and heels, suggests Lois A. Lutz, extension specialist in home management at Oregon State college, who then tells what to do to get rid of them.

The carbon black in rubber, that causes the marks, has been increased because of the rubber shortage, as it makes rubber more durable. The inconvenience it causes is just one of those things that civilians must put up with if they are to have rubber footwear at all.

These black marks may be removed with liquid wax, turpentine, or cleaning fluid, says Miss Lutz. The grease solvents, such as carbon tetrachloride, or turpentine, remove wax from the floor along with the black marks, hence a re-coating of wax is necessary after the spots are

treaks are cleaned off. Use of liquid wax will do both operations at once.

Miss Lutz advises removing the marks at least once a week, as they are harder to take off the longer they remain on the floor.

## DRIVES TO PORTLAND

Miss Leta Humphreys drove to Portland Tuesday on a short business trip. She was accompanied to the city by Miss Frances Weaver and returning will bring her sister, Miss Evelyn Humphreys home. Evelyn will accompany her father to Rockaway for a vacation.

# DOUBLE IT!

Just as our fighting men must double their efforts to win, so must we on the home front double our efforts to pay for winning. Every person must put twice as much into War Bonds than ever before, during the Fifth War Loan Drive. If our fighting men can fight twice as hard . . . we can buy twice as much!

They will thank you, too, if you leave the Long Distance wires from seven to ten for the service men.

That is the best time many of them have to call.
