WILLIAM BAIRD

William Baird, whose death occurred June 6, was a native of the state of Missouri where he was born Jan 12 1855. He was the son of David and Mary Spears Baird, who brought their family to Oregon and first settled in the Willamette valley. In 1883, David Baird and his son Frank came to Morrow county and William Baird moved here the following year. He settled on a small farm south of Heppner which was his continuous home until a year or so ago when the infirmities of old age made it impossible to take care of himself and his little home. He was moved to the home of Mrs. Mattie Gentry where he was given gentle care to the last.

Mr. Baird engaged in small farming operations throughout his long residence here. He was a kindly man, a good neighbor and one whose honesty was an outstanding characteristic.

His wife preceded him in death Jan. 6, 1931.

A brother, Frank, of Newberg, survives him.
