HOME FROM MISSOURI

Mrs. R. B. Rice and granddaughter, Eleanor Rice, returned the past week from Missouri where they spent a month in and near Kansas City visiting sisters, brothers and many old friends of Mrs. Rice's. They were fortunate in experiencing no unpleasant weather until the last couple of days when it became extremely hot.

VISITING DAUGHTER

Mrs. Olive D. Bassett of Long Beach, Calif., is visiting at the home of her daughter, Mrs. Joe Hughes. Mrs. Bassett had been visiting another daughter in Portland and accompanied Mr. and Mrs. C. W. Barlow from that point Monday.

CHURCH GROUP HOLDS

The Willing Workers of the Church of Christ held an all-day meeting Wednesday, devoting the forenoon to a business session and the afternoon to a missionary meeting.

A luncheon with a cake honoring those whose birthdays come in July was enjoyed at noon.

Ten Do's and Don'ts

Paper Shortage Grows Acute!

- 1—Don't wrap or bag an article which is already so packaged that the customer can carry it safely.
- 2—Make each bag carry its full load. Don't use a large bag or sheet of wrapping paper when a small one will do. Fill bags already furnished customers for additional purchases.
- 3—Avoid wrapping truck delivery which can be carried safely without wrapping. When wrapping is needed, use salvage material if possible.
- 4—Wrap only for protection, not appearance. Don't use a bag within a bag.
- 5—Ask customers to bring own paper bags in which to package their purchases and shopping bags in which to carry them.
- 6—Reuse customers' containers in making exchanges and adjustments.
- 7—Reuse all usable boxes and wrapping materials received from supplies.
- 8—Don't over tape or over seal packages.
- 9—Avoid the use of gift wrapping paper and tissue stuffing in gift packages except when required for protection.
- 10—Don't blame the clerks for trying to save on paper. We are trying to cooperate with Uncle Sam and we ask your cooperation in trying to save for Uncle.
