PENDLETON

To the Citizens of Morrow County

Your support in the Fifth War Loan drive which boosted our sales \$38,412.50 over the quota for Morrow County as of July 8, is keenly appreciated by the County Committee.

Six hundred and twenty-five individuals purchased Series E Bonds during this drive as compared with 1118 individual purchases during the Fourth War Loan drive. To those who have not made their purchases during this drive, you still have until July 29 to make your purchases of E, F, G and C bonds to be included in this campaign.

Can we conscientiously let our boys down by failing to do our part in support of the war effort?

Many Morrow County residents purchase bonds each and every month. Do you?
