Drawings Made for Special Game Tags

No more applications will be accepted by the Oregon state game commission for the following big game tags:

Grant-Baker, doe deer; antlerless elk; or Hart mountain buck and doe deer. As the number of applications exceeds the quota of these tags, drawings were held on Aug. 2 to determine the successful applicants. Everyone will be notified of the results of the drawings as fast as the notices can be mailed out by the commission, and those who are to receive tags will be given ten days from the date of the notice in which to forward the required fees.

There are plenty of game tags available and these are now being issued in the order applications are received. To apply for an antelope tag it is necessary to forward the

fee of \$2.50 for a resident or \$5 for a non-resident together with information as to the number and kind of hunting license held by the applicant.
