**We Are Serious  
About this Waste Paper  
Business---**

There is something more to it than just a good deed job for the Boy Scouts. It has a direct bearing on the conduct of the war as well as carrying on the battle of the home front.

If you have not already done so, tie up all the old papers around the house (magazines, too) and box up all scraps and waste paper and put it all in a neat pile at a convenient spot for the Boy Scouts to pick up at 9 o'clock Saturday morning.
