

War Fund Drive to Close October 15

The drive to put Morrow county over the top in the National War Chest campaign has reached the final stage and an effort is being made to meet the quota by Oct. 15. In the absence of Blaine E. Isom, county chairman, figures on the drive to date are not available, but no real activity has been in evidence until the past few days. That is the situation in Heppner, at least.

F. W. Turner, business district chairman, made a personal campaign Tuesday, covering his territory. Mrs. Lucy Rodgers, residential district chairman, put her workers in the field the first of the week. The town has been divided into two sections, north and south Heppner. Mrs. L. D. Neill is in charge of the north side and Mrs. Tress McClintock the south side.

It has been suggested that it will lessen the work of the solicitors if residents will make an effort to turn in their contributions. In some instances workers have made several calls without contacting householders and it is urged that these people see their district leader or one of the solicitors at once.

Mrs. Neill's group includes Mrs. A. J. Chaffee, in charge of the area east of Main street, and Mrs. J. J. Nys, Mrs. Pat McIntyre, Mrs. Alex Green, Mrs. Burl Coxen and Mrs. Harold Sherer. Mrs. McClintock's aides are Mrs. Everett Smith, Mrs. Harold Evans, Mrs. Millard Nolan, Mrs. Harry Van Horn, Mrs. Harold Beckett, Mrs. J. L. Hamlin and Mrs. Harry Plumondore.
