

County Committee Provides Funds for Numerous Gifts

By Mrs. Ralph Thompson
As the October meeting of the Blue Mountain Camp and Hospital council was in Pomeroy, Wash. no one attended from Morrow county. Anyone going that far felt they should visit McCaw hospital in Walla Walla.
Morrow county reported the following gifts for September: clock for McCaw library, Mrs. Earl Gilliam; 15 prizes from home economics club of Rhea creek grange; books and magazines, Mrs. Ralph Thompson; books, Mrs. Rob Runyon; hunting and fishing magazines, donor unknown; westerns and comics, Harley Anderson, and two afghans given by the Eastern Star lodge of Ione.

Our committee ordered one dozen harmonicas for the boys leaving on the carriers from Pasco Naval Air station and we were fortunate in finding these in Portland.

We sent a \$60 check for a portable phonograph and \$10 for cake and icecream for a party in Morrow county's ward. This ward has been changed to ward No. 49 and any one going to McCaw should visit this ward as the boys feel everyone in Morrow county is a friend. Mrs. R. A. Thompson sent 21 prizes for the Bingo party.

Starting with October we sent the usual \$25 check for Mrs. Reser's account which will help purchase curtain material for the lounge in the recreation hall; \$5 for telephone call at the monthly birthday party; \$10 for westerns and comics; \$100 for three more new radios. Radios are badly needed at McCaw as the old ones have been in use over two years and they were old ones to start with. We have asked the other counties in the Council to match this gift of six new radios we have given since July.

Anyone wishing to start a Christmas gift on its way towards McCaw might give \$35 for a new radio or \$12.50 for a floor lamp. As these must be ordered through the navy service it takes a month or more for them to arrive.

MUCH HUNTING BUT NO BUCK

Blaine Elliott returned to town Wednesday from the mountains where he accompanied his brother and nephew, L. F. Elliott and Wayne Elliott of Portland on a deer hunt. It was Blaine's second attempt to get a buck and lady luck failed to lay her hand on his shoulder. The brother and nephew remained with the intention of taking some Blue mountain mule deer meat home with them.

Brownies Active During Past Week

Brownie Girl Scout troop No. 2 met Oct. 4 in the music room at the school house. After one half hour of singing, games and folk dances, the group adjourned to the gymnasium for a short period of tumbling.

At the Oct. 11 meeting the Brownies enjoyed a hike on the school house hill. This troop has subscribed to "The American Girl" to be sent to the Heppner library where Brownies and other girls may enjoy reading it.

The leaders of Troop No. 2 are asking mothers of Brownies and their friends to give their waste kitchen fats to the Brownies to sell. The pennies derived from the sales will help finance the troop and at the same time the Brownies will be doing a war service.

These are busy times—especially so for the one who has to plan and prepare the meals for the family, for she too is doing her share of war work.

It will be a boost to the family's morale to eat out occasionally—to enjoy one of our STEAK DINNERS, or an oyster supper, or any one of the wide variety of excellent meals to be found on our bill of fare. Come any time... we're always prepared.
