## Henry Peterson

Candidate for State Representative from the 22nd Representative District

To the Voters of the 22nd District:

These are troublous times—serious times—when calm thinking and sober action are essential to the preservation of our American way of life while prosecuting the war to a successful conclusion. We need MEN in the state legislature who are pledged to a program of consistent legislation, based on needs rather than political expediency.

We present Henry Peterson, whose service in the last legislature warrants his return. His experience as a legislator and his knowledge of the needs of the district and the state eminently qualify him for the post.
