**WORD OF APPRECIATION**

We wish to thank the Heppner fire department and all others who

came to our rescue last Thursday morning in preventing what might otherwise have been a bad fire. Your timely aid was sincerely appreciated.

Mr. and Mrs. H. T. O'Donnell.

These are busy times—especially so for the one who has to plan and prepare the meals for the family, for she too is doing her share of war work.

It will be a boost to her's and the family's morale to eat out occasionally—to enjoy one of our STEAK DINNERS, or an oyster supper, or any one of the wide variety of excellent meals to be found on our bill of fare. Come any time . . . we're always prepared.

**Cracker-barrel versus Dog House**

Most of the political conventions in our town are held around the cracker-barrel—in Sam Abernethy's store.

We were settling how the country should be run the other night when Homer Watson starts to put in a word.

"Wait a minute, Homer," Sam said sharply, "did you vote in the last election?"

"Well," Homer fumbled, "I was awful busy just at the time."

"That don't matter," Sam insists. "Free speech around

cracker-barrel is for them who help protect it—and all the other freedoms in America—by voting. Folks that just talk freedom don't count here."

From where I sit, it doesn't make any difference how you vote—the important thing is that you do vote. Call it a sacred right if you want to, but to me, it is the backbone of the whole idea of democracy.
