From where I sit... by Joe Marsh

Ed Carey Talks (Thanksgiving) Turkey

Bert Childers hails Ed Carey on his back porch. "What you doin', Ed?" he asks.

"Pluckin' our Thanksgiving turkey," Ed replies.

"Looks like a chicken to me," says Bert. "Looks like one to me, too," Ed allows. "But with so many turkeys goin' to our fightin' men, some chickens got to do a turkey-size job."

Guess that's the way Thanksgiving is going to be in a lot of homes this year. We'll be sitting down to rationed foods and substitutes—and being mighty glad

about it! . . . knowing that the best is going to our men overseas.

And from where I sit, the most important thing of all isn't rationed. That's the Spirit of Thanksgiving! Today—as the lights are going on again all over the world—there's more of it than ever! And more cause for it—as the powers of darkness yield to freedom, tolerance, and human kindness!
